A Word from the VICE CHANCELLOR

ಗುಲಬರ್ಗಾ ವಿಶ್ವವಿದ್ಯಾಲಯವು ಬೀದರ್, ಕಲಬುರಗಿ, ರಾಯಚೂರು ಮತ್ತು ಯಾದಗಿರಿ ಜಿಲ್ಲೆಗಳ ವ್ಯಾಪ್ತಿಯನ್ನು ಹೊಂದಿದೆ. ಹಿಂದುಳಿದ ಪ್ರದೇಶವೆನಿಸಿದ ಹೈದರಾಬಾದ್ ಕರ್ನಾಟಕದಲ್ಲರುವ ಈ ವಿಶ್ವವಿದ್ಯಾಲಯ ಅಲವು, ಅಧ್ಯಯನ, ಸಂಶೋಧನೆ ಮತ್ತು ಪ್ರಸಾರದ ಮೂಲಕ ಮರುಭೂಮಿಯಲ್ಲಿರುವ ಫಲವತ್ತಾದ ಪ್ರದೇಶದಂತಿದೆ. ಮಾತ್ರವಲ್ಲ, ಗುಣಾತ್ಮಕ ಸಾಮಾಜಿಕ ಪಲವರ್ತನೆ, ಅಭಿವೃದ್ಧಿಸಾಧನೆ, ಸಮಷ್ಟಿಹಿತ ಹಾಗೂ ಸುಸ್ಥಿರ ಬೆಳವಣಿಗೆಯ ದೈನಂದಿನ ಮೂಲಕವಾಗಿದೆ. ಉನ್ನತ ಶಿಕ್ಷಣದಲ್ಲಿ ಉತ್ಕೃಷ್ಟತೆ, ಜ್ಞಾನದ ಮೂಲಕ ಸಬಲೀಕರಣ, ಸಮಾಜೋ - ಧಾರ್ಮಿಕ ಬದಲಾವಣೆ ಮತ್ತು ಸುಸ್ಥಿರ ಅಭಿವೃದ್ಧಿಗಾಗಿ ಸಮಷ್ಟಿಹಿತ ಸಾಧನೆಯ ಬೆಳವಣಿಗೆಗಿಂತಲೂ ವಿಶ್ವವಿದ್ಯಾಲಯದ ದೂರದೃಷ್ಟಿಯಿಂದ ಮಾರ್ಗದರ್ಶನಗೊಂಡು, ತನ್ನ ದೈನಂದಿನ ಸಮಾನತೆ, ನ್ಯಾಯ, ಸಾಮರಸ್ಯ ಮತ್ತು ಅಭಿವೃದ್ಧಿಗಾಗಿ ಬದಲಾಗಿದ್ದುಕೊಂಡು, ತನ್ನ ಇರುವ ಗುಲಿಯನ್ನು ಮತ್ತು ತನ್ನ ಹುಟ್ಟು ಕಾರಣದಿಂದಲೇ ಆಶೀರ್ವಚನಗಳನ್ನು ಈಗಾಗಲೇ ಪೂರೈಸಿದೆ.

ವಿಶ್ವವಿದ್ಯಾಲಯವು 860 ಎಕರೆ ವಿಸ್ತಾರವಾದ ಭೂಭಾಗವನ್ನು ಹೊಂದಿದ್ದು ಮರಳಿಡುಗು ಮತ್ತು ನೀಲನಾಶ್ರಯದಿಂದ ಕೂಡಿ ಸೊಗಸಾಗಿದೆ. 35 ವರ್ಷಗಳ ತನ್ನ ಅರ್ಥಪೂರ್ಣ ಅಸ್ತಿತ್ವ ಹಾಗೂ ಸ್ಥಿರವಾದ ಬೆಳವಣಿಗೆಗಳ ಮೂಲಕ ಕಲಾ ಪ್ರಪಂಚ, ವಿಜ್ಞಾನ ಮತ್ತು ಸಾಹಿತ್ಯದಲ್ಲಿ ತನ್ನದೇ ಆದ ಸ್ಥಾನವನ್ನು ಪಡೆದುಕೊಂಡಿದೆ. ವಿವಿಧ ವಿಭಾಗಗಳಲ್ಲಿ ನಡೆಯುವ ಸಂಶೋಧನೆಗಳು ಆಯಾ ಕ್ಷೇತ್ರಗಳಲ್ಲಿ ವಿಶಿಷ್ಟವಾದ ಕೊಡುಗೆಗಳನ್ನೀಡುತ್ತ ಜ್ಞಾನದ ಕ್ಷಿತಿಜಗಳನ್ನು ವಿಸ್ತರಿಸಿವೆ. ಜೊತೆಗೆ ವಿಶ್ವವಿದ್ಯಾಲಯವು ತನ್ನಲ್ಲಿನ ಜ್ಞಾನದ ಪ್ರಯೋಜನವನ್ನು ತನ್ನೂಲಕ ತನ್ನ ಇರುವ ಗುಣಾತ್ಮಕವಾಗಿ ಪ್ರಕಟಿಸಿದೆ. ಪಲಸರ ಅಧ್ಯಯನ ವಿಭಾಗದ ಸ್ಥಾಪನೆ, ನೂರು ಎಕರೆಗಳ ಹರಡುವ ಬಯೋ ಡಿಸೆಲ್ ಪಾರ್ಕ್ ಹಾಗೂ ಬಯೋ ಡಿಸೆಲ್ ಉತ್ಪಾದನಾ ಘಟಕ, ಎರೆಕುಳ ಗೊಬ್ಬರ ಘಟಕ, ಪ್ರಮಾಣ ಮತ್ತು ಪರಿಣಾಮಗಳ ಜಿರಿಸ್ಟಾಂಟಿಯೊಸಿನಬಹುದಾದ ಮತ್ತು ಈಗಾಗಲೇ ಅಮೇಲಿಕ ಸಂಯುಕ್ತ ಸಂಸ್ಥಾನದ ಕೊಲೊರಾಡೋ ಸ್ಟೇಟ್ ವಿಶ್ವವಿದ್ಯಾಲಯ, ಹೋರ್ಟಿ ಕೊಲೊರಾಡೋ (CS) ಜೊತೆ ಡಿಸೆಂಬರ್ 2011ರಲ್ಲಿ ಒಡಂಬಡಿಕೆ (MOU) ಮಾಡಿರುವ ಉದ್ದೇಶಿತ ಇಂಟರ್‌ನ್ಯಾಶನಲ್ ಇನ್‌ಸ್ಟಿಟ್ಯೂಟ್ ಫಾರ್ ಪುಡ್, ಎನರ್ಜಿ ಅಂಡ್ ವಾಟರ್ ಸೆಕ್ಯೂರಿಟಿ (IIFEWS) ಇದರ ಸ್ಥಾಪನೆ, ಯೂರೋಪಿಯನ್ ಕಮಿಷನ್‌ನ ವ್ಯಾಪ್ತಿಯಲ್ಲಿರುವ ವಿಶ್ವವಿದ್ಯಾಲಯಗಳೊಡನೆ ಇರೆಸ್‌ಮಸ್ ಮುಂಡಾಸ್ (Erasmus Mundus) ನಡಿಯಲ್ಲಿ ಸ್ವಾಗತ ಮತ್ತು ಫ್ಯೂಜನ್ ಯೋಜನೆ ಜೊತೆ MOU ಮತ್ತು ವರ್ಲ್ಡ್ ಬಯೋಡೈವರ್ಸಿಟಿ ಕಾಂಗ್ರೆಸ್, ಧೈರ್ಯದ ಜೊತೆ IMOU - ಇವು ಕೆಲವು ವಿಶ್ವವಿದ್ಯಾಲಯದ ಹೆಚ್ಚಿನ ಹೆಗ್ಗುರುತುಗಳು. ಮೂಲಭೂತ ಸೌಕರ್ಯ ಮತ್ತು ಸೌಲಭ್ಯಗಳಲ್ಲಿ ತನ್ನೊರೆಯ ವಿಶ್ವವಿದ್ಯಾಲಯಗಳಿಗಿಂತ ಮುಂಚೂಣಿಯಲ್ಲಿದೆ ಮನೋರಂಜನಾ ವ್ಯವಸ್ಥೆ ಹಾಗೂ ಕೇಂದ್ರಿಯ ಸೌಲಭ್ಯಗಳಾದ ಗ್ರಂಥಾಲಯ, ವಸತಿಸಾಲಯಗಳು, USIC, ಆರೋಗ್ಯಕೇಂದ್ರ, ಗಣಕಯಂತ್ರ ಕೇಂದ್ರ, ಭಾಷಾ ಪ್ರಯೋಗಾಲಯ ಮತ್ತು ಬಹುಮಾಧ್ಯಮ ಉತ್ಪಾದನಾ ಕೇಂದ್ರಗಳು ಒಂದು ಕಲಾ ಜಗತ್ತನ್ನೇ ಸೃಷ್ಟಿಸಿವೆ. ವಿಭಾಗಗಳಲ್ಲಿನ ಮಾನವ ಸಂಪನ್ಮೂಲ ಹಾಗೂ ಸಂಶೋಧನಾ ಫಲಶ್ರುತಿಗಳು ಅತ್ಯುತ್ತಮವಾಗಿದ್ದು ಶುದ್ಧ ಜ್ಞಾನ ಹಾಗೂ ಆನ್ವಯಿಕ ಸಂಶೋಧನೆಗಳ ಕೇಂದ್ರಗಳಾಗಿವೆ. ಎಂತಲೇ ಶಿಕ್ಷಣದ ಪರಮ ಗುಲಿಗಳಾದ ಶೈಕ್ಷಣಿಕ ಸುಸಮ್ಮಿ ಮತ್ತು ಬೌದ್ಧಿಕ ಉಪಯುಕ್ತತೆಗಳನ್ನು ಒದಗಿಸುತ್ತಿರುವ ಈ ವಿಶ್ವವಿದ್ಯಾಲಯದತ್ತ ಎಲ್ಲರ ದೃಷ್ಟಿ ಕೇಂದ್ರೀಕೃತವಾಗಿದೆ.

'ವಿದ್ಯೆಯೇ ಅಮೃತ' ಎಂಬ ದೈನಂದಿನವಾಕ್ಯವು ವಿಶ್ವವಿದ್ಯಾಲಯದ ಪರಮೋದ್ದೇಶವನ್ನು ಸಾರುತ್ತದೆ. ಈ ವಿವರಣ ಪತ್ರಕ್ಕೆ (Prospectus)ಯು ವಿಶ್ವವಿದ್ಯಾಲಯದಲ್ಲಿನ ಅಧ್ಯಯನ, ಸಂಶೋಧನೆ ಹಾಗೂ ಅಭಿವೃದ್ಧಿಪರ ಚಟುವಟಿಕೆಗಳನ್ನು ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಉಪಯುಕ್ತವಾಗುವಂತೆ ತಿಳಿಸುತ್ತದೆ.

ವಿದ್ಯಾರ್ಥಿ ಸಮುದಾಯಕ್ಕೆ ಉಜ್ವಲ ಭವಿಷ್ಯವನ್ನು ಕೋರುತ್ತ ಅವಲಗೆ ಉತ್ತಮ ಅವಕಾಶಗಳು ಲಭಿಸಲಿ ಎಂದು ಹಾರೈಸುತ್ತೇನೆ.

Gulbarga University has the jurisdiction over four districts viz. Bidar, Kalaburagi, Raichur and Yadagiri. Looked upon as an oasis of knowledge, wisdom and learning, research and extension in an otherwise backward or barren region of Hyderabad Karnataka, it has emerged as a harbinger of positive social transformation, an instrument of progress, and a vehicle of inclusive and sustainable growth. Guided by its vision of excellence in higher education, empowerment through knowledge, inclusive growth for socio-economic transformation and sustainable development, and wedded to the mission of equity, justice, harmony and progress, the University has far exceeded the benchmark it had set for itself to achieve at its inception and the expectations of those who were instrumental in its establishment.

The University has a sprawling green campus of 860 acres, blessed and bestowed with vegetation and water only a few campuses can dream of. The University in its course of meaningful existence and steady growth during the last thirty two years has carved a niche for itself in the world of learning on the one hand and world of science and literature on the other. The research that is being carried out in all the disciplines is in the frontier and applied areas of their respective domains, representing what is known as the cutting edge of horizon of knowledge. At the same time, the extension engaged in by us has enabled us to take the campus to the community and put knowledge, scholarship and wisdom available with us to meet the immediate needs of the community around and tackle the problems of society at large and thereby make its positive presence felt by the people who come in our contact. Establishment of the PG Department of Environment studies, Bio Diesel Park, laid on hundred acres with Bio Diesel production plant, a Vermi Compost unit which is already operational, proposed establishment of International Institute for Food, Energy and Water Security, that could be termed as monumental in scale and impact for which an IMOU has been signed with the Colorado State University, USA last December 2011. MOU with universities of European Commission under Erasmus Mundus Svagata and FUSION Project, IMOU at World Biodiversity Congress, Thailand are some of the landmarks that the University is proud of. In terms of infrastructure and facility, the University is way ahead of its contemporaries and on par with the oldest of the Universities in the State. Academic, residential, sports and recreation structures and central facilities like Library, Hostels, USIC, Health Centre, Computer Centre, Language Lab, Multimedia Production Centre are housed and equipped good enough to be called the state of the art. The human resources and research output of our departments is enviable by any standard, owing to which it is being looked upon as the most fertile breeding ground for pure knowledge and applied research. Owing to these traits, the University is looked upon as a sought after destination for an academically enriching and intellectually rewarding experience, the twin benefits that true education and for that matter through education an ideal University stands and strives for.

"ವಿದ್ಯೆಯೇ ಅಮೃತ" conveys the spirit of the University. The University Prospectus provides information regarding the teaching, research and developmental activities in the University for the benefit of student community.

I wish a bright future for the student community.
Best wishes to all.

Prof. S. R. Niranjana Ph.D.,FNAAS.,FNABS.,FISMPP.
Vice Chancellor

THE LOGO STATEMENT

ವಿದ್ಯೆಯೇ ಅಮೃತ

(Vidyeye Amruta)

Translates as "Education is Nector" and conveys the spirit of Gulbarga University which is catering to the needs of Hyderabad – Karnataka region. This region has been neglected in so far as the development of basic educational framework is concerned. The starting of this University comes to our people as "Nector". Hence this logo symbolizes the endeavour of the University in its prime focus of imparting higher education for the development of this region.

Introduction

Gulbarga University was established on 10th September, 1980. It was a P.G. Centre of Karnatak University from 1970 to 1980. The University has been catering to the needs of Higher Education in Hyderabad Karnataka region of Karnataka State which is considered as a developing region and contributing a great deal for the accelerated development of this region through teaching, research and extension programmes. It is a State University established as per the provisions of the Karnataka State University Act 1976/2000. Situated in the north eastern part of Karnataka, it has the jurisdiction over four Revenue Districts viz. Kalaburagi, Bidar, Raichur and Yadgir. It has a main campus at Kalaburagi and has two P.G. Centres; one each at Raichur and Bidar, and a Sharana Sahitya Library and Resource Centre at Basavakalyan. It is an affiliating University having 307 affiliated colleges. The University caters to the needs of all sections of the society and promotes co-education.

The University has six faculties viz. Arts, Commerce, Education, Social Science, Science and Technology and Law, comprising of 37 Departments of Post-Graduate Studies and Research on the main campus and P.G. Centres. The University promotes research studies leading to research degrees. It also undertakes sponsored research projects. The University has twenty seven (27) ongoing projects worth Rs. 227.00 Lakhs funded by various agencies of Central & State Govt. Five Departments have received grants under a UGC Special Assistance Programme and the Department of Physics is allocated Rs. 1.30 Lakhs under a Special Assistance Programme (Phase II) of UGC. All other science departments have Non-SAP programmes of UGC. The university has received Rs. 533 Lakhs under XII plan grants of UGC. University has also strong research collaboration with International, National and State organizations / institutions. It has collaboration also with HKRDB for implementing knowledge projects.

History of the Region

This region has rich historical heritage. Buddhist settlement sites, Edicts of Ashoka in the form of slab inscription at Sannati in Kalaburagi District are some of the heritage sites. Famous kingdoms like the Rashtrakutas of Malkhed, Chalukyas of Basavakalyana, Bahamani Emperors of Kalaburagi and Sultanate of Bidar have ruled this region.

This region has a very rich cultural and literary heritage. The very first known work in Kannada Literature, 'Kaviraja Marga' was written by Srivijay during the regime of the famous Rasthrakuta emperor Nrupatunga during 850 AD. It was again around this period, Mahaveeracharya wrote his Mathematical works and Vijnaneshwara wrote his Mitakshara commentary and an epigraph about him is preserved in Martur village, 22 km from Kalaburagi.

The region has witnessed a profound revolutionary movement during the 12th Century AD led by Basaveshwara. It was a movement of spiritual enlightenment, social equality, dignity of labour and respect for women. Purandara Dasa, a renowned poet, philosopher and founder of the Carnatik music who lived during the Vijayanagara Empire, belongs to this region. Subsequently, Raichur District became the cradle of several poets and philosophers in the 'Dasa tradition'. The Madarasa established by Mohammad Gavan in Bidar acquired the status of a University during 14th Century. Later Kalaburagi became a bastion of the philosophical school of Suffism and produced a very eminent saint and scholar, Hazrat Khwaja Banda Nawaz in the 15th Century. Kalaburagi is blessed with another famous saint, Shri Sharanabasaveshwara in the 19th Century. Thus the region has the potential to recapture this intellectual and spiritual leadership and Gulbarga University is endeavouring its best to provide necessary stimulus and institutional support in this direction.

Ancient educational institutions in the form of *Agraharas*, *Brahmapuris*, *Ghatikasthanas* and *Mathas* flourished in this region which followed traditional methods of teaching. *Mathas* were residential schools where the teacher and the taught lived together. *Agraharas* and *Brahmapuris* were settlement of scholars and separate arrangements existed for holistic teaching. *Ghatikasthana* was meant for conferring degrees or certifying scholarships. 'Maha Agrahara Nagai', the ancient University of Nagai at Nagai situated at Chittapur taluka of Kalaburagi District was established during the Rasthrakuta and Chalukya kings (993 AD). It is said that about 250 students, six teachers and a librarian (Saraswati Bhandari) were engaged in imparting education there. During 1058 AD, this "Nagai Agrahara" was converted into 'Ghatika Sthana'

CHOICE BASED CREDIT SYSTEM AND CONTINUOUS ASSESSMENT GRADING PATTERN (CBCS & CAGP)

As per the guidelines from the University Grants Commission, New Delhi, Gulbarga University has introduced the CBCS-CAGP scheme for all Post Graduate courses of the University. The essence of the scheme is that a student of one Department / Faculty can enrich his knowledge by choosing certain value added courses offered by the other departments / Faculty. The Choice Based Credit System and Continuous Assessment Grading Pattern (CBCS & CAGP) scheme is offered as per the "Uniform Regulations Governing Admission to P.G. Degree / P.G. Diploma Programs under Choice Based Credit System (CBCS) and Continuous Assessment Grading Pattern (CAGP), Gulbarga University, Kalaburagi-2011" regulations approved by the Chancellor and communicated through Govt. Letter No. ED 02 UGS dated 27-08-2013. According to this scheme a post graduate Student of one Department in his 2nd & 3rd semesters is required to choose one of the "Open Elective Papers" offered by the other Departments. However, a Student from the Departments under Science faculty can choose an Open Elective being offered by a Department under Science faculty only. Where as, a Student from the Arts / Commerce / Education and Social Sciences can choose an "Open Elective Paper" offered by the Department under any faculty except the Science faculty

MAIN CAMPUS & POST GRADUATE CENTRES

Main Campus

The main campus of the University is located on a sprawling campus of 860 acres, about 8 kms to the east of Kalaburagi city and well connected by trains to Delhi, Mumbai, Bengaluru and Hyderabad. It has 37 P. G. Departments. In addition, the University is offering M.Phil. and Ph.D. courses in these Departments.

The University has excellent central facilities such as Central Library, Learning Resource Centre, Instrumentation Centre, Computer Centre, Digital Language Lab, Indoor Stadium, Health Centre, boy's and girl's hostels to provide accommodation to the students. Residential quarters provide accommodation for teaching and non-teaching faculty. About 4000 students take admission to the P.G. Courses every year.

P. G. Centre, Bidar

The P.G. Centre at Bidar was established during 1997-98 with MA Course in Urdu & Persian. It is located on a campus of

310 acres near Halhalli village situated on the state highway from Bidar to Srirangapattana about 20 kms away from Bidar. Presently, in this centre M.A. in Urdu & Persian, English, Political Science, Kannada, Sociology, Economics, Women Studies, M.S.W., M.Sc. in Sugar Technology, Mathematics, Organic Chemistry and M.Com. Courses are offered.

P. G. Centre, Raichur

Raichur is known for its historical and commercial importance and has the rich treasure of Dasa Sahitya. The Gulbarga University established the P.G. Centre at Raichur during 1992-93 with M.A. (Kannada) programme and subsequently, M.Sc. Instrumentation Technology M.Com. and M.A. in English, Social Work, Women Studies, M.Sc. in Computer Science, P.G.D.C.A. M.Com. and M.Ed. courses are introduced. It is located on a campus of 250 acres of land at Yeragera on Mantralaya Road.

STUDY CENTRE, BASAVAKLAYAN, BIDAR

Sharana Sahitya Library and Resource Centre has been established at Basavakalyan, Bidar District to support Research and Developmental activities with emphasis on Vachana Sahitya & Shivasharanas. M.A. in Kannada (Sharana Sahitya) has been introduced from the year 2011-12.

Eligibility for Admission

Eligibility for Admission to P.G. Courses in the Faculty of Science and Technology, Social Sciences and Arts

The candidate seeking admission to first semester of P.G. Degree / Diploma course shall be required to have passed concerned degree examination of the Gulbarga University or any other University recognized by the Gulbarga University as equivalent thereto securing not less than 50% of marks in the concerned / cognate subject and 50% marks in the aggregate at the Bachelor's Degree course as a whole. However, SC / ST and Cat-I candidate should have secured at least 45% in the concerned / cognate subject and in the aggregate at the Bachelor's Degree Course as a whole.

Minimum percentage of marks for seeking admission to M.A. degree in Sanskrit, Marathi and Urdu and Persian courses shall be 45% for general merit candidates, 40% for other categories and 35% in case of SC / ST and Cat-I candidates.

Eligibility for Admission to P.G. Courses in Faculty of Commerce and Management

COMMERCE

The candidate seeking admission to the first semester of P. G. Degree/ Diploma course shall be required to have passed B.Com. / B.B.M. / B.C.S. examination of the Gulbarga University or any other University recognized by the Gulbarga University as equivalent thereto securing not less than 50% of marks in the concerned / cognate subjects and also in aggregate at the Bachelor's Degree Course as a whole. However, SC/ ST and Cat-I candidates should have secured at least 45% in the concerned / cognate subjects and also in aggregate at the Bachelor's Degree Course as a whole.

of July during that academic year, in leading Newspapers as well as the University Website (<http://www.gulbargauniversity.kar.nic.in>). The notification contains the details regarding the courses offered, eligibility and calendar of events for the entire process of selection and admission. A candidate has to submit a separate application for each of the courses he proposes to apply by paying the prescribed application fee. The University prepares the list of applicants on the basis of eligibility and merit cum reservation.

Admission to M.C.A. & M.B.A. will be through the state level CET conducted by VTU Belgaum. Intake mentioned in each Department is provisional.

The University will admit 70% of students from Hyderabad Karnataka Area {ED 269 UNE 2014 Date 23/05/2014. Article 371 (J)}.

POST GRADUATE DEPARTMENTS

Applied Electronics

The Department of Applied Electronics was established during 1976. The Department offers M.Sc. Applied Electronics, M.Sc. Electronics and Instrumentation (at P.G. Centre, Raichur) one year P.G.D.E.S.A. at USIC and one year P.G. Diploma in TV Technology.

COURSE DETAILS

M.Sc. Applied Electronics

- Intake : 16+20 SSS*
- Duration : Four semesters
- Eligibility : A candidate who has passed B.Sc. Degree Examination with Electronics as one of the optional subject with any other combination of this University or any other University considered as equivalent is eligible for admission.

M.Phil.

Intake : As per University regulations
 Duration : One Year (full time), Two Years (part time)
 Eligibility : M.Sc. in Applied Electronics

Ph.D.

Intake : As per University regulations
 Duration : As per University regulations
 Eligibility : M.Sc. or M.Phil. in Applied Electronics

P.G. Dip in TV Technology

Intake : 06
 Duration : One Year
 Eligibility : B.Sc.

P.G. Dip. in Embedded Systems & Applications

This Course is offered at the USIC
 Intake : 10
 Duration : One Year
 Eligibility : B.Sc. / B.E. (E.&CE. / E.&EE. / C.S.&E. / I.T.)

Instrumentation Technology

Electronics and Instrumentation is a specialized course of Department of Instrumentation Technology, introduced in the year 1993 at P.G. Centre, Raichur in the premises of SLN College of Engineering, Yeramarus Campus, Raichur. During 1999, the Department moved to its own campus at Yeragera, Raichur. Located near Yeragera on Mantralaya Road, Raichur city. The course is offered at Master's level under CBCS and CAGP scheme.

So far over 200 students have been graduated in 20 batches. Many are gainfully employed. Placement cell is provided to interact with industries, corporate and government organizations to arrange campus interviews. Employment opportunities in process industry viz., thermal, cement, paper and pulp, iron and steel, refineries, petrochemicals, pharmaceuticals etc. R & Ds like ISRO, DRDO, DRDL, NAL, NPL etc. scope for self employment and entrepreneurship, after completion of the course the student can start his/her own small-scale industries in design, development, and fabrication of instruments. Two UGC sponsored Major research projects which have been successfully completed with research and employment benefits to two candidates as project fellows leading to Ph.D.

Computer Science

The M.C.A. course was started in the year 1990 in the Department of Mathematics under the UGC-DOE joint Manpower-training programme in Computer Science. The UGC provided financial support and also the posts. The M.C.A. course was approved by AICTE in 2000 with sanctioned intake of 45. Independent Department was established in 2001. MSc in Computer Science is offered on the main campus in the Department of Computer Science and also at P.G. Centre, Raichur.

COURSE DETAILS**M.C.A.**

Intake : 45, Duration : Six semesters

1. Eligibility for Admission to M.C.A.

i. Admission to M.C.A. course shall be open for the candidates who have passed the Bachelor degree examinations with not less than 50% of the marks in the aggregate of all the year of the degree examinations. However, in the case of candidates from Karnataka belonging to SC / ST and Category-I, the aggregate percentage of marks in the qualifying examinations shall not be less than 45%.

Provided that for admission to M.C.A. the candidate shall have passed Bachelor's degree with not less than 50% of marks with Mathematics / Statistics / Computer Science / Computer Programming / Computer Application / Business Mathematics / Business Statistics as one of the optional or electives at Degree Level.

Provided further that in respect of candidate who has studied and passed one of the subjects specified in the first provision in the Pre-University Course with 50% of marks in the subject shall also be considered for admission. However, in the case of candidates belonging to SC / ST and Cat-I, 45% of Marks in that subject shall be considered for admission.

ii. Candidates who satisfy requirements stipulated in Para 1.1 shall take common entrance test for admission as notified by Government of Karnataka from time to time.

iii. Intake

The intake of the course shall be 45 or as decided by the University / Govt. of Karnataka from time to time. The selection of eligible candidates for admission to course shall be based on merit cum reservation as notified by the University / Govt. of Karnataka from time to time.

M.Sc. Computer Science

Intake : 60 at main campus, Kalaburagi

25 at P.G. Centre, Raichur

Duration : Four semesters

Eligibility : A candidate who has passed any of the following Bachelor's degree examination of this University or any other University recognized as equivalent there to shall be eligible

for admission :

- B.Sc. with Computer Science / Information Science / Information Technology as one of the optional subject.
- B.Sc. with Mathematics / Physics / Electronics / Statistics Instrumentation as one of the optional subject and one year Post-Graduate Diploma in Computer Science or Computer Applications (P.G.D.C.S. / P.G.D.C.A.) of Gulbarga University or any other University recognized as equivalent there to.
- B.Sc. (Information Science)
- Bachelor of Computer Science or Computer Applications (B.C.A. / B.C.A.)
- Bachelor of Information Science or Information Technology (B.I.Sc. / B.I.T.)
- B.E. / B.Tech. (all branches)

The merit of the candidate is the aggregate percentage of marks in all the years of Bachelor's degree examination.

M.Phil.

Intake : As per University regulations

Duration : One Year (full time), Two Years (part time)

Eligibility : P.G. Degree in Computer Science / Computer Applications / Information Technology

Ph.D.

Intake : As per University regulations
 Duration : As per University regulations
 Eligibility : P.G. Degree in Computer Science / Computer Applications / Information Technology

P.G. Diploma in Computer Applications

Intake : 25 P.G. Centre, Raichur
 Duration : Two Semesters
 Eligibility : Any Bachelor degree holder with minimum of 50% of marks in aggregate of all the years of degree (45% in case of SC / ST and Cat-I)

Environmental Science

The Department of Post Graduate Studies and Research in Environmental Science started in the year 2010, with master's degree programme under choice based credit system. This Course is of four semesters with an objective of imparting education on regional and global environmental issues. The department also designed a programme of offering Doctor of Philosophy in Environmental Science. The department has a well-equipped laboratory to cater to the needs of the student fraternity. The department, since its inception, has been organizing seminars, symposia and workshops every year in collaboration with various government and non-government bodies. Students find placements in teaching and research institutes, pollution control boards, industries & environmental consultancies etc.

Materials Science

The Department of Materials Science was established in the year 2004. It has a well equipped state of the art laboratory for materials synthesis and characterization comprising basic and advanced equipments, modern experimental kits, instruments and systems for P.G. students and research scholars. The students get trained in handling these sophisticated equipments and instruments. Department has been recognized for Teaching and Research in Materials Chemistry under the UGC – Innovative programme. Department has received major research projects from UGC, DST and DAE – BRNS.

Department has signed MOU with Premier Explosives Limited, Hyderabad, for Teaching and Research on High Energy

Materials. Placement of students at Premier Explosives (PEL), is an added feature. The PEL's R and D centre is recognized by Gulbarga University, to carry our research on High Energy Materials leading to Ph.D. degree, awarded by Gulbarga University. Also, the Department is making all out efforts for placements of students at different materials (cement materials, iron oxide, steel etc.,) and polymer based Industries in the region and students have been absorbed at these industries. The Department is instrumental in collaborating with industrial organizations for working on various aspects of materials of mutual interest. The Department has close rapport with National and International Institutes, Universities and R&D Laboratories, on thrust areas of Material Science.

Local and Regional Science, Pharmacy and Engineering Colleges have Academic and Research Interactions with the Department. Also the Department is very keen and looking forward to invoice many more materials - based industries in their Academic and Research Programmes and job placements to the students. A fellowship of Rs. 10,000/- per annum and a gold medal to rank holder opting a theory paper-High Energy Materials, is one of the key features of this Department.

Hindi

The Department of Hindi which profoundly carries an academic history of four decades, is striving to attain progress in the field of Post Graduate Studies and Research in Hindi. Since its establishment, the department is stepping ahead in the field of enrichment of knowledge of the students and to bring out the cultural literary development of the region.

Department has introduced the scheme of Choice Based Credit System (CBCS) and continuous assessment grading pattern (CAGP). It has framed the syllabus based on UGC Guidelines.

It is very keen in its research programmes (M.Phil. & Ph.D.), which have contemporary commitment and outlook. Research based on comparative studies and translation has positively contributed for promotion and up-gradation of Hindi Language study in this Non-Hindi speaking region.

Along with the academic prosperity of its students, the Department tries to strengthen the personality and living skills of its pupil through imparting value based education and building character through involvement in co curricular activities.

Music

Music is as old as man himself. As an art, it has been playing a vital role in human life. Music is divine, brings peace and unity in society, soothes the aching hearts, gushes out the joy of the heart and delights everyone. In order to create awareness about the Indian classical music and to encourage the rural talents of the Hyderabad Karnataka region a music department was essential. Further, to conduct the functions in the University, the existence of a music department is necessary. Hence, the Department of Music was started in the year 2014 at the main campus. It is housed in the building of the Institute of Kannada Studies. M.A. Course in Music is also offered at N. V. Degree College, Kalaburagi.

Sanskrit

Sanskrit language and literature encompasses the hoariest and profoundest human thinking in the Vedas, Upanishads, scientific and technical literature and of course, literary works of

surmounting excellence. The great Indian heritage is preserved in and through this language of the Gods. The gems of spirituality, which is perhaps the most precious thing with which India can be proud of, are hidden in this glorious language of Sanskrit. To take this spirituality to the common man, the Department of Sanskrit was established in the year 1983.

Law

The Department of Post-Graduate Studies and Research in Law was established during the year 1988-99 with the objectives of imparting quality legal education and research. At present the Department offers two Post-Graduate Courses in Law such as L.L.M. in Commercial Law and L.L.M. in Bharateeya Nyaya Darshana and Raja Dharma. Apart from these P.G. Courses it is offering research courses leading to MPhil and Ph.D. Degrees from academic year 1999-2000. It is making steady progress in imparting quality legal education and research by adopting new techniques and technologies of teaching methods using computers, LCDs and OHPs.

The importance of the L.L.M. course in Bharateeya Nyaya Darshana and Raja Dharma is that it is meant for studying the Indian Jurisprudence especially the renowned Jurist Vijnaneshwara, whose treatise called "Mitakshara" a Commentary on Yajnavalkya Smriti is a major source of Indian Law and it has been accepted not only by eminent Jurists of the world but acknowledged and followed by Supreme Court of India. Historically it is an established fact that saintly Scholar Vijnaneshwara hailed from Martur, a village (situated at a distance of about 12 km) near Kalaburagi city. In memory of this Saint Scholar, "Vijnaneshwar Bhavan" has been constructed at Martur by the 'Vijnaneshwara Souharda Sahakari [L], Kalaburagi'. This Vijnaneshwara Souharda Sahakari [L], Kalaburagi has as one of its objectives, to impart the legal education and promote research in the field. In this connection, the Vijnaneshwara Souharda has signed MOU with Gulbarga University, Kalaburagi for rendering assistance to the Department such as, allowing the use of the existing library, at Vijnaneshwara Bhavan in Martur, providing scholarships to deserving students pursuing legal studies and research etc.

L.L.M. in Bharateeya Nyaya Darshana and Raja Dharma is introduced in the Department from the academic year 2007-08 as a new branch of study which is aimed at giving effect to the MoU signed between Gulbarga University, Kalaburagi and Vijnaneshwara Souharda Sahakari [L], Kalaburagi.

7. Center for Studies in Vijnaneshwara’s Mitakshara and Human Rights in India

Gulbarga University has established a Centre for Studies in Vijnaneshwara’s Mitakshara and Human Rights in India funded by University Grants Commission (UGC) as an inter-disciplinary research unit involving the faculties belonging to the Departments of Studies in Law, Sanskrit, Sociology and Economics. Since Vijnaneshwara belonged to Kalaburagi District and produced a monumental work ‘Mitakshara’, a commentary on Yajnavalkya’s Smriti, it was felt justified to start such a Centre in Gulbarga University. The main objective of the Centre is to conduct intensive research on the contributions of Vijnaneshwara in evolving Indian Jurisprudence for the past one thousand years. It was also necessary to study ‘Mitakshara’ from the human rights perspective to appreciate the importance attached to human rights during those days. This becomes all the more important in the contemporary scenario of violation of human rights across the globe and the carve niche for the protection of human rights by the international community. The Foundation stone was laid for construction of its building by Sri. H. K. Patil, the then Hon’ble Minister for Law, Justice and Parliamentary Affairs on October 8, 2005 in august presence of Hon’ble Justice Dr. M. Rama Jois, Former Chief Justice of Punjab and Haryana High Court and Former Governor of Jharkhand and Bihar and Former Member of Parliament (Rajya Sabha), Prof. V. B. Coutinho, Former Vice-Chancellor of Gulbarga University and Prof. J. S. Patil, Dean, Faculty of Law, GUK.

Prof. J. S. Patil is the Director.

8. MAHARSHI VALMIKI TRIBAL STUDY AND RESEARCH CENTER

The Maharshi Valmiki Tribal Study and Research Centre has a vast scope in terms of understanding the socio-political and religious ideas of Maharshi Valmiki. It also intends to understand the status of tribal people in Karnataka in general

and Hyderabad Karnataka Region in particular. The fact is that in a caste dominated society, the tribal people still remain backward in major areas such as educational, economic, political and cultural. The political participation of tribals, their social life, and their awareness needs to be analysed. It is also relevant to assess the pros and cons of reservation provisions of the Indian Constitution in respect of the Tribal people. The study and research centre is of immense significance for the development of the society as well as the tribal community through the spread of the philosophy and ideals of Maharshi Valmiki. The study has its importance in understanding the impact of teachings of Maharshi Valmiki on tribal socio-political, educational and religious aspects. It also seeks to assess the participation of Tribal people in availing the constitutional safeguards to the people belonging to scheduled tribes in various institutions. Apart from this, it also aims to undertake studies and surveys on the socio-economic and political status of tribal community and the nature of tribal political participation.

Prof. G. Sreeramulu, Dept. of Political Science is the Director of the Centre.

University Science Instrumentation Centre

The special scheme of UGC i.e., University Science Instrumentation Centre (USIC) was established in the year 1993, in a separate building. The USIC is a Central Academic Instrumentation facility which caters to the needs of all science Departments and affiliated colleges of the University. The USIC has an Instrumentation laboratory with modern test and measuring instruments, workshop, glass blowing unit, liquid nitrogen plant, Atomic Absorption Spectrophotometer, water distillation plant, double beam UV-Visible Spectrophotometer and stereoscopic zoom microscope with digital camera.

The USIC carries out design, fabrication, testing, servicing, calibration of Scientific equipment required for research and teaching from various Science Departments / Colleges. USIC organizes short term courses / training programs and workshops on instrumentation for the benefit of students and faculty of the University and the affiliated colleges. The USIC also offers full term Job-oriented course, "P.G. Diploma in Embedded Systems & Applications (PGDESA)" under the banner of Applied Electronics Department. The users from all Science departments on the main campus, PG centres, affiliated colleges and outside institutions of this region use the facilities.

Dr. Vani R. M. is the Head of USIC.

Department of Physical Education

The Department was started in the year 1980. The University has established excellent infrastructural facilities in sports. The Physical Education Department has well qualified staff members, coaches and instructors to guide, and motivate sports persons. Excellent indoor stadium having four courts and

a well-equipped gymnasium with a capacity of 1750 audience in the gallery has been established. The University also has an outdoor stadium with 400 metre track for various events. The University has developed a Football ground, two Hockey grounds, two Volleyball courts, Kho-Kho, Kabaddi, Basketball courts, Badminton, Tennis courts, Ball badminton Tennis court, two Cricket Grounds and four Table Tennis courts. Besides, modern gymnasium facilities are also provided for the benefit of the students and the faculty. The University hosts various Inter-University, State, regional, National and International level sports and games.

Health Centre

The University has a health centre with one Medical Officer, one Lady Medical Officer, two Nurses, two Technicians, one Pharmacist and other supporting staff. It has facilities of ECG, X-Ray, Scanner etc. Students undergo medical examination every year and are provided medical help as and when necessary. Each staff member is medically examined while joining the duties. Free medical service to the staff and students is provided. In case of serious ailments, the patients are referred to several leading designated hospitals throughout the country and admissible medical charges for advanced treatment and operations are reimbursed by the University. Many people from neighbouring villages avail free medical

facilities as a part of community service by the University Health Centre. NSS students organize special medical camps on health, AIDS / HIV awareness etc. regularly as part of their community service in collaboration with the Health Centre.
