Empowering Education

..... Global Leadership

Dr. S. Cletus Babu Ph.D

**Founder Chairman
SCAD Group**

“ We, in SCAD look at education differently. We don't just cater knowledge, but we form caliber and character of our students. We want them to become competent, committed, creative and compassionate global leaders. ”

Chairman's Desk

"Education is simply the soul of the society as it passes from one generation to another"

- G. K. Chesterson

SCAD Group of institutions is one of the leading educational groups in South India. Our educational Initiatives believe that creating an academic foundation for social, cultural, scientific, economic and technological development in our Nation can mature into Global Interface by giving way to education exchange in the International territory as well. We aim at establishing bench marks in academic excellence, and holistic grooming of students, to meet the career challenges in the increasingly globalised economic conditions, thus, SCAD Group of Institutions has earned goodwill by our students and society at large.

Francis Xavier Engineering College, a unit of SCAD Group is committed to foster in its students, the pursuits of individual excellence and participate in full range of academic, spiritual, cultural, social and physical activities, and to make them involve as all-rounder. College education is the foundation for all future possibilities in the life of a student. Also a quality education is a passport to its steep rise in life and creates practical avenues to attain financial gains and give golden opportunities to lead a life of dignity & prosperity. To achieve this goal, several add on courses, as, trainings in placement, personality development, communication skills, and other soft skills are provided by expert members. The College inculcates the development of all facets of the mind culminating in an intellectual and balanced personality. Our team of dedicated and highly qualified faculty strives to widen the students' horizon of learning and thereby helping every student to achieving pass. In the short span of a decade in its existence, the college has bagged several University ranks and has a remarkably high percentage of pass. I am much pleased to inform that Francis Xavier Engineering College has received National Education Excellence Award – 2014 for the Best Engineering College in terms of infrastructure and faculty in Tamil Nadu by Earth Research Organization, India.

We take special care that our ideas are not merely discussed but executed. The college is also a venue of national, international and state level conferences, seminars & symposium. The placement scenario is also quite commendable as several premiere companies visit our campus for recruitment. We acknowledge the students, parents, teaching and non teaching staff and society in general as our stake holders for their continuous support in taking this institution to greater heights. We never compromise on the part of quality and our policy is to provide quality technical education of international standards.

I am extremely pleased to welcome you all to being a part of this FX family. I pray to the Almighty to bless you with great future.

Dr. Cletus Babu, PhD
Chairman, SCAD Group

FRANCIS XAVIER ENGINEERING COLLEGE

The Francis Xavier Engineering College, popularly known as FX Engineering College, was established in the year 2000 to empower budding engineers with technical and entrepreneurial knowledge and skills, and inspire them to contribute to socio-economic augmentation of the nation. The college is located in the heart of the city of Tirunelveli heralded worldwide as the Oxford of South India, and is well connected by Road, Rail and Air.

The FX Engineering College nestles amidst calm and clean campus on a sprawling 15 acres of greenery in the epicenter of this town of learning. The ambience is ideal for learning, research and living. The location has many advantages such as excellent connectivity, a strong science and technology foundation, superior educational and research resources and progressive population that is a welcome mix of rural, urban and cosmopolitan outlooks.

The campus breathes fresh air of nature with vast green pastures and it's a pleasant mix of a sense of universal brotherhood, tradition, culture and sophistication. The Management carefully preserves and nurtures the campus by maintaining its air, water, land and surroundings free from pollution and litter.

The students of FX Engineering College are given the opportunity to pursue first-grade and advanced technical education regardless of background, gender or financial constraints. The necessity to promote most advantageous learning and service is well harmonized and clearly expressed by allowing students to effectively receive education that they need. Curricular and co-curricular programs form an integral part of the curriculum and help students to have commanding incorporation of theory and practice. Each individual is motivated to increase the gravity of responsibility and be committed to serve the nation.

The campus is full of opportunities where students' talents can thrive and it systematically transforms a graduate to a future ready professional. The institution is open to the exchange of ideas, where discovery, creativity, personal and professional development can flourish. It is a responsive, student-oriented institution that is committed to the creation, dissemination, and acquisition of knowledge through teaching, research and service.

VISION

Forming our students into innovative leaders and entrepreneurs who would promote other-centered values of life by which we emerge as Global University of Excellence.

MISSION

- To form entrepreneurs who would focus on development of society.
- To build skills, knowledge and talent for innovative leadership.
- To become agents of change.

**WHY
CHOOSE
FX EC**

FRANCIS XAVIER ENGINEERING COLLEGE

- National Education Excellence Awards 2014 for the Best Engineering College in terms of Infrastructure and Faculty in Tamil Nadu by Earth Research Organization, India.
- Rated as one of the top ten colleges in South India by Deccan Chronicle with A+ and A Grade for the year 2011-2012 and 2012-2013 consecutively.
- Student empowerment with core & soft skills for placement.
- Creative, innovative and interactive teaching practices.
- Motivation and orientation programs to students for entrepreneurship and knowledge leadership.
- Aptitude based coaching for IES/ IAS/ IPS/ IFS/ GATE/ CAT/ TOEFL/ GRE / GMAT exams.
- Excellent training in leadership and communication skills.
- Special coaching to slow learners.
- Excellence in Engineering education coupled with ethics.
- Uninterrupted internet facility with online access to international journals and e-books.
- State of the art laboratories & classrooms.
- Assistance to students below poverty line with SCAD's Merit Scholarships.

QUALITY POLICIES

We aim at continuous pursuit of excellence through

- Quality education tapped from National and International Resources.
- Modular approach to channelize the knowledge and programmed evaluation of knowledge accumulated.
- Continuous review and renewal of quality systems leading to quality output.
- Producing engineers with strong ethical and moral background.

INFRASTRUCTURAL FACILITIES

LEARNING FACILITIES

FX has excellent infrastructure facilities such as conference hall, drawing hall, well furnished and spacious class rooms, splendidly equipped laboratories with modern tool kits and computers with high end configuration, mechanical workshop amply provided with hi-tech tools, staff rooms, student activities room, canteen, sport facilities and so on make teaching effective and meaningful in this temple of learning.

ADVANTAGE

- Multi – Cultural Campus.
- Excellent Infrastructure & Facilities.
- Congenial Learning Atmosphere.
- Finest Faculty with Academic and Industrial Experience.
- Remarkable Placement Record.
- Enhancement of Spoken English Skills through Institute of Language and Management (ILM).
- Social Responsibility and Outreach Activities

Equipment & Infrastructure

- Well - Equipped Laboratories
- Workshop & Drawing hall
- Seminar Hall with LCD Projector
- Language Lab
- Virtual Classroom
- Intranet Campus
- E-Resource Learning Centre
- Multimedia Teaching
- Hostel Facility for students
- Video Conferencing Facility

RESIDENTIAL FACILITY

The College has a separate hostel for boys and girls. The hostels are well furnished, airy and have round the clock power back up and an RO Plant for safe drinking water. The hostels have well-planned dining facility as well that serve hygienic and nutritious vegetarian and non-vegetarian cuisine.

CAMPUS LIBRARY

Our central library is stacked with more than 34,000 books. It subscribes to sufficient quantity of National & International Journals and provides access to DELNET and selected IEEE journals. The Digital Library facilitates intranet access to sample question papers of Anna University, Chennai. Our library offers many services besides the basic book-borrowing facility, such as

- Photo copying
- Scanning
- Colour printing
- Study room
- Book bank
- Reference service
- E-library

MULTIMEDIA TEACHING

Multimedia Teaching makes the teaching-learning process comprehensible and clear. Modern teaching aids like OHP, LCD projectors, Slide projectors, Television, VCR, P.A. systems etc make the students understand the concepts clearly and fair well in their examinations.

ENGLISH LANGUAGE SUPPORT

If English is not the first language then the students may need additional language support before or during the major program. To enhance the language skills of the students, communication training classes are incorporated in the class schedule. Regular training on communication through role play, group discussions, presentations, debate, and interview skills are given. We create fresh avenues to develop positive attitudes, problem solving skills and decision making skills in the students.

CAFETERIA

The college canteen adheres to the highest degrees of quality, hygiene and provides the students with tasty food at affordable rates.

COMPUTER LABORATORY

FXEC has state of art laboratories, equipped with latest instruments, computers, servers, as well as most modern software required to instruct the students and carry out prescribed practical hours to complement classroom learning. Students have access to this excellent facility, complemented by 24-hour internet connectivity. The resources and facilities of all the FXEC labs are befitting the excellent reputation and standards set by the institute. They provide an efficient and effective support to students in their pursuit of academic excellence. The college has a fully equipped computer centre with latest state-of-art computers and software. Internet connectivity with 8 Mbps broadband connection is available for 24x7.

COUNSELOR

FXEC has appointed full-time psychologist for staff & students, whose services for appropriate advice and counseling are available in campus round the clock.

CLASS ROOM

Spacious and well ventilated class rooms create a conducive environment to make the students concentrate on the lessons taught and tower with accomplishments.

AUDITORIUM

The college has spacious auditorium with ultramodern sound facilities which accomodates more than 2000 occupants.

EXTRA CURRICULAR ACTIVITIES

The college provides ample opportunities to establish students' identity by making them take active role in the Youth Affairs like NSS, YRC, and RRC. Not all the time learning but they become creative artist too. Cultural programmes give way to exhibit their innate talents and off-stage they become great citizens of India. Besides the regular academic exercises the students do have a chance to become members of the following professional bodies like Indian Society of Technical Education (ISTE), Indian Society of Electrical and Electronics Engineers (IEEE), Computer Society of India (CSI).

SPORTS

The budding engineers of this college prove their stamina in the sports arena too. They excel in the sporting spirit to bring good will and understanding. The team building skills make the students great players in the corporate sector too.

PLACEMENT

The Management takes keen interest in the placement and training activities in the campus to see its students get placed in well-known MNCs. Continuous training is offered in verbal ability, test of reasoning and soft skills by experts in the respective fields. Career development programs are regularly conducted to motivate the students by resource persons from the industry.

SCHOLARSHIPS

Our Institute offers merit scholarships to top ranking students of Higher Secondary, National and State level. Sports persons and deserving students from Polytechnic are given special scholarships. Government scholarships to SC/ST, BC and MBC students are provided.

MERIT SCHOLARSHIPS

CIVIL ENGINEERING

CIVIL ENGINEERING

The Department of Civil Engineering provides a learning environment through which students learn the art of development and sustainability in:

- **Land Resources**
- **Water Resources**
- **Remote Sensing**
- **Infrastructure Development**
- **Environmental Resources**
- **Energy**

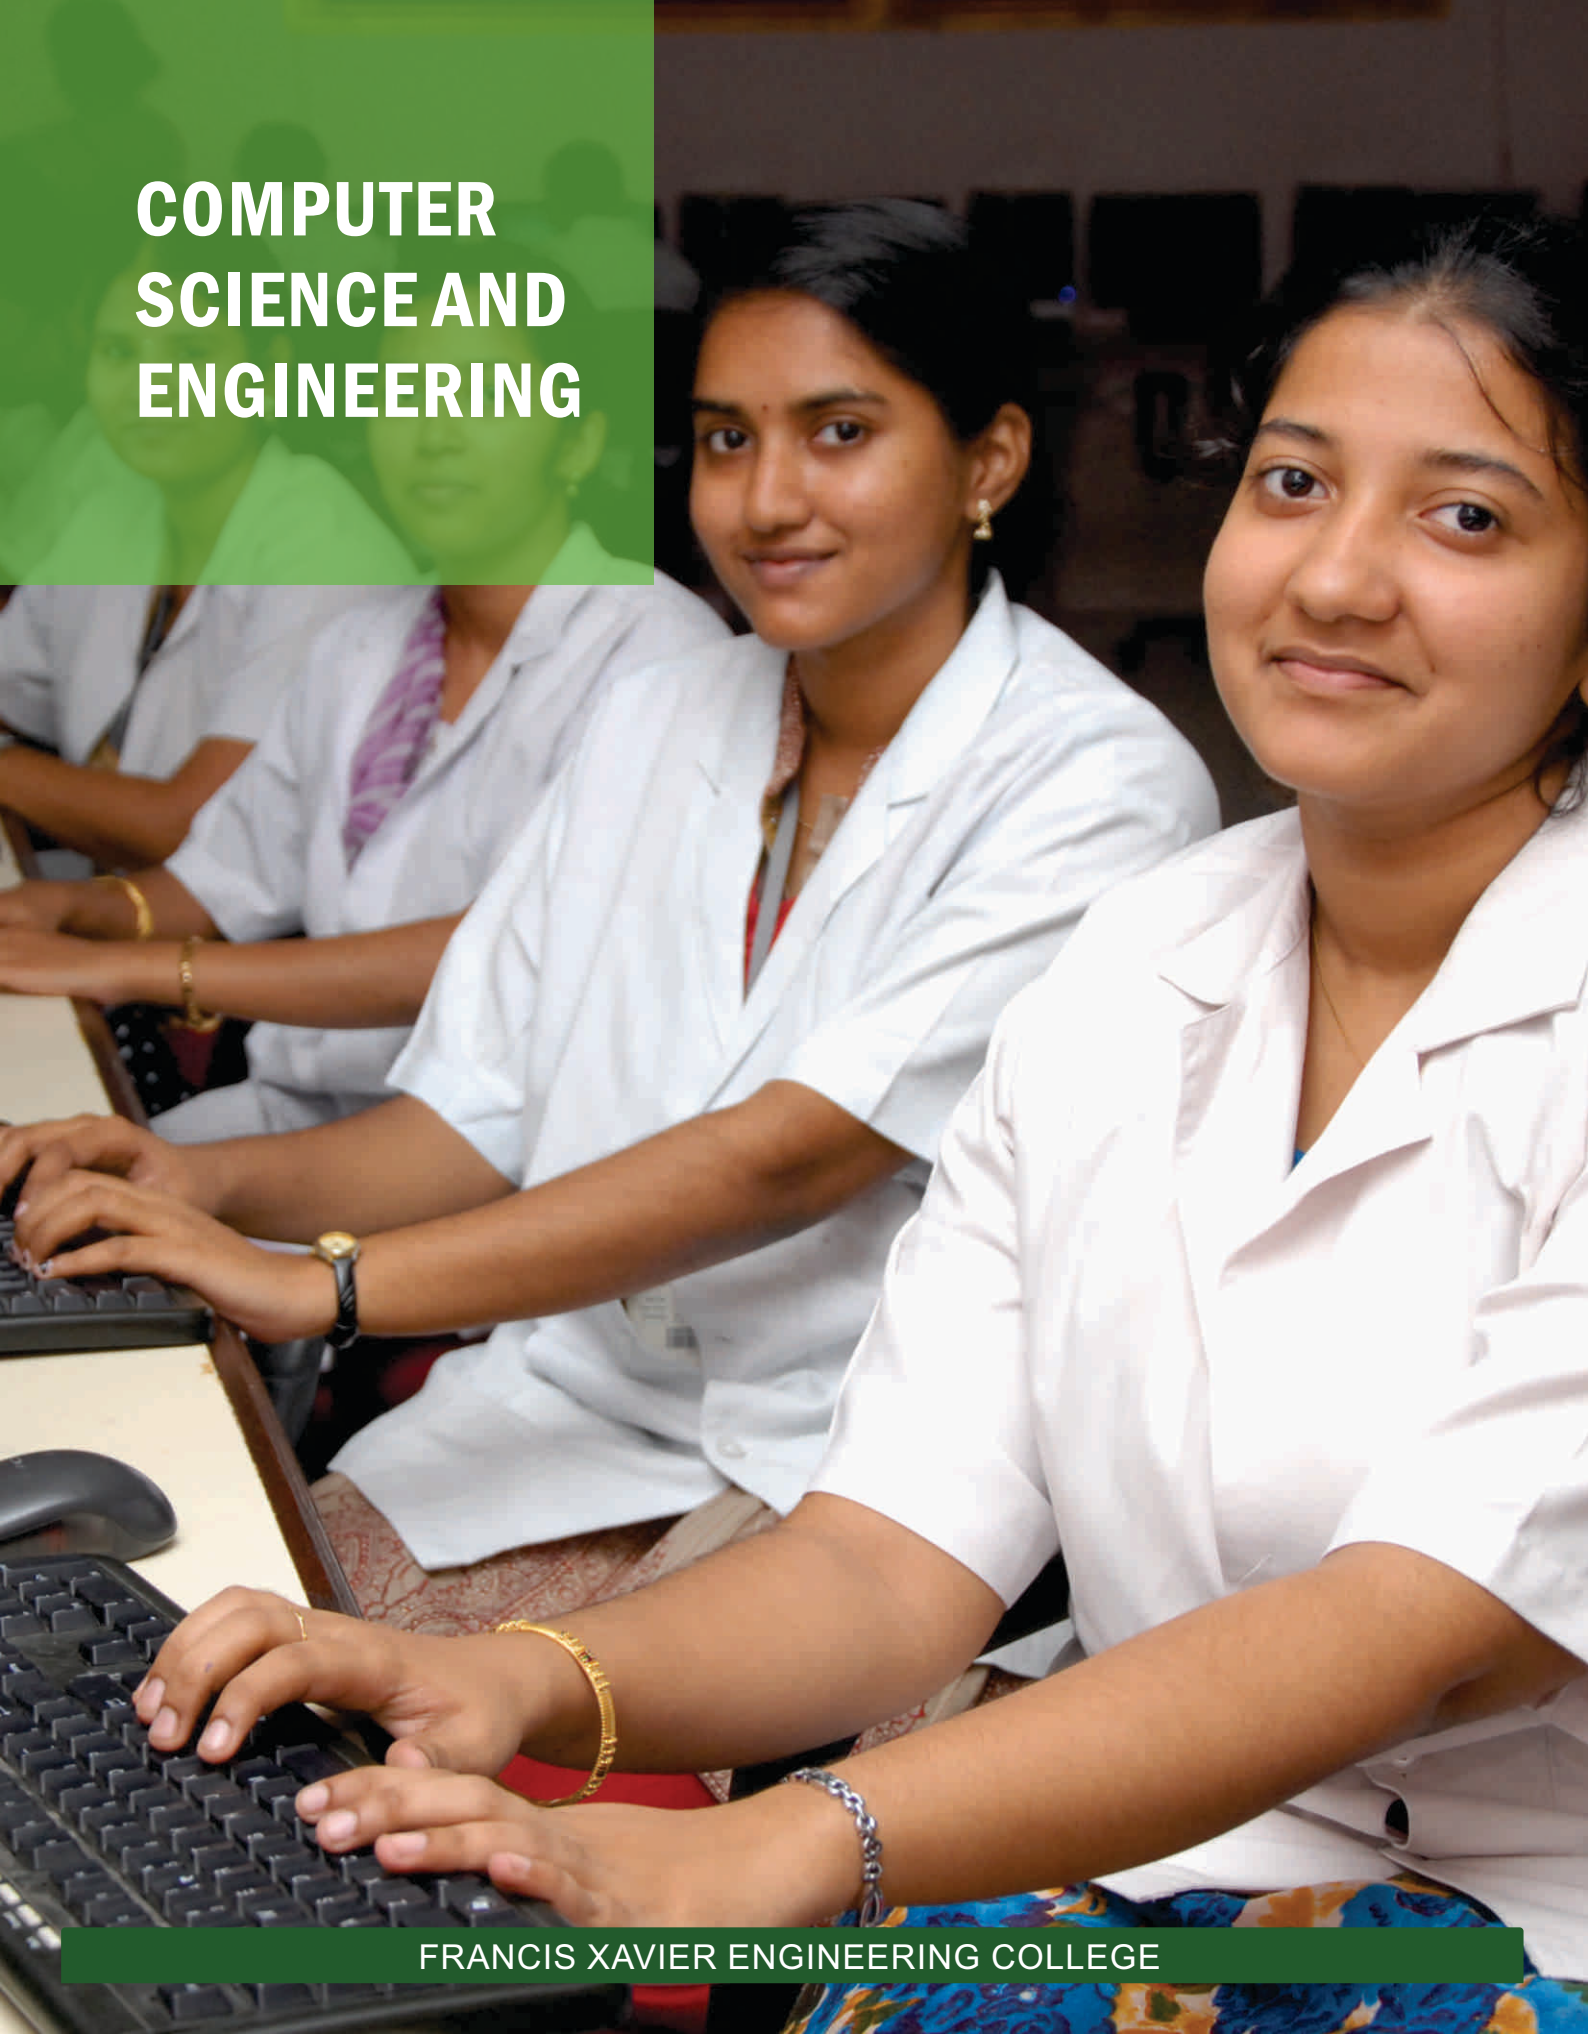

The Department has well qualified faculty members, excellent infrastructure and labs with modern equipment.

LABORATORIES THAT STRENGTHEN OUR DEPARTMENT ARE :

- ▶ Computer Aided Building Drawing Lab
- ▶ Strength of Materials Lab
- ▶ Fluid Mechanics & Machinery Lab
- ▶ Survey Lab
- ▶ Geo-technical Lab
- ▶ Environmental Engineering Lab
- ▶ Concrete & Highway Engineering Lab

COMPUTER SCIENCE AND ENGINEERING

COMPUTER SCIENCE & ENGINEERING

The Department of Computer Science and Engineering is a recognized research centre by Anna University, Chennai. The Department has produced 20 Anna University rank holders in the past 2 years. The Department provides High Speed Internet with 8 Mbps for the students of the College. The Department provides guidance for the students to take up the exams such as GATE, GRE, TOEFL, and GMAT & CAT. The faculty members and the students have membership with CSI, IEEE & ISTE. The Department has association with Google, HCL Technologies Pvt. Ltd., and CISCO.

LABORATORIES THAT STRENGTHEN OUR DEPARTMENT ARE :

- Operating System Lab
- Case Tools Lab
- Networking Lab

- Compiler Design Lab
- System Software & DBMS Lab
- Hardware Lab

ELECTRONICS AND COMMUNICATION ENGINEERING

ELECTRONICS & COMMUNICATION ENGINEERING

The Department of Electronics and Communication Engineering offers academic programme at the Under Graduate and Post Graduate level with the state-of-the art facility. The Department has produced 23 Anna University rank holders in the past 3 years. The students are also encouraged to participate in symposia and conferences and they are motivated to present papers. Students are led to enter into the world of Electronics & Communication Engineering with motivation and guidance from highly qualified and dedicated faculty members. The Department has well qualified staff members consisting of Doctoral and Master Degree. The students are encouraged by the faculty members to do mini projects, paper presentations, seminars and workshops within and outside the campus.

LABORATORIES THAT STRENGTHEN OUR DEPARTMENT ARE :

- ▶ Electronic Devices Lab
- ▶ Communication Lab
- ▶ Microwave Lab
- ▶ DSP Lab
- ▶ Microprocessor Lab
- ▶ VLSI/ Networks Lab
- ▶ Basic Electronics Lab
- ▶ M.E VLSI Design Lab
- ▶ M.E Communication System Lab

ELECTRICAL AND ELECTRONICS ENGINEERING

ELECTRICAL & ELECTRONICS ENGINEERING

The Department of Electrical and Electronics Engineering marked its efficient starting in the year 2002 for undergraduate studies with highly qualified and dedicated staff members. The Department continues to strive in excellence to produce young technocrats every year with fundamental knowledge in the field of Electrical and Electronics Engineering with leadership qualities and technical skills. With the strength of the dedicated and dynamic faculty, ever supportive management and well motivated students, the Department is fully geared up in its pursuit of attaining excellence in engineering education with ethics. The Department has produced 10 Anna University rank holders in the past 3 years.

LABORATORIES THAT STRENGTHEN OUR DEPARTMENT ARE :

- ▶ Electrical Dc Machines Lab
- ▶ Control Systems Lab
- ▶ Power Electronics Lab
- ▶ Measurement & Instrumentation Lab
- ▶ Electrical Workshop
- ▶ Power System Simulation Lab
- ▶ Electrical Ac Machines Lab
- ▶ M.E Power Electronics and Drives Lab

INFORMATION TECHNOLOGY

INFORMATION TECHNOLOGY

The Department of Information Technology is committed to providing technical education in the field of Information Technology to future technocrats and software professionals through programmed teaching and hands on training with the state-of-art implements. Students are provoked to take interest and participate in their core area under the supervision of the faculty members through Guest Lectures, Seminars, Paper Presentation, Symposium, Quiz contests etc., Regular seminars are conducted in the Department under the auspices of the students association. The department has produced four Gold Medals and 13 university ranks in the past five years.

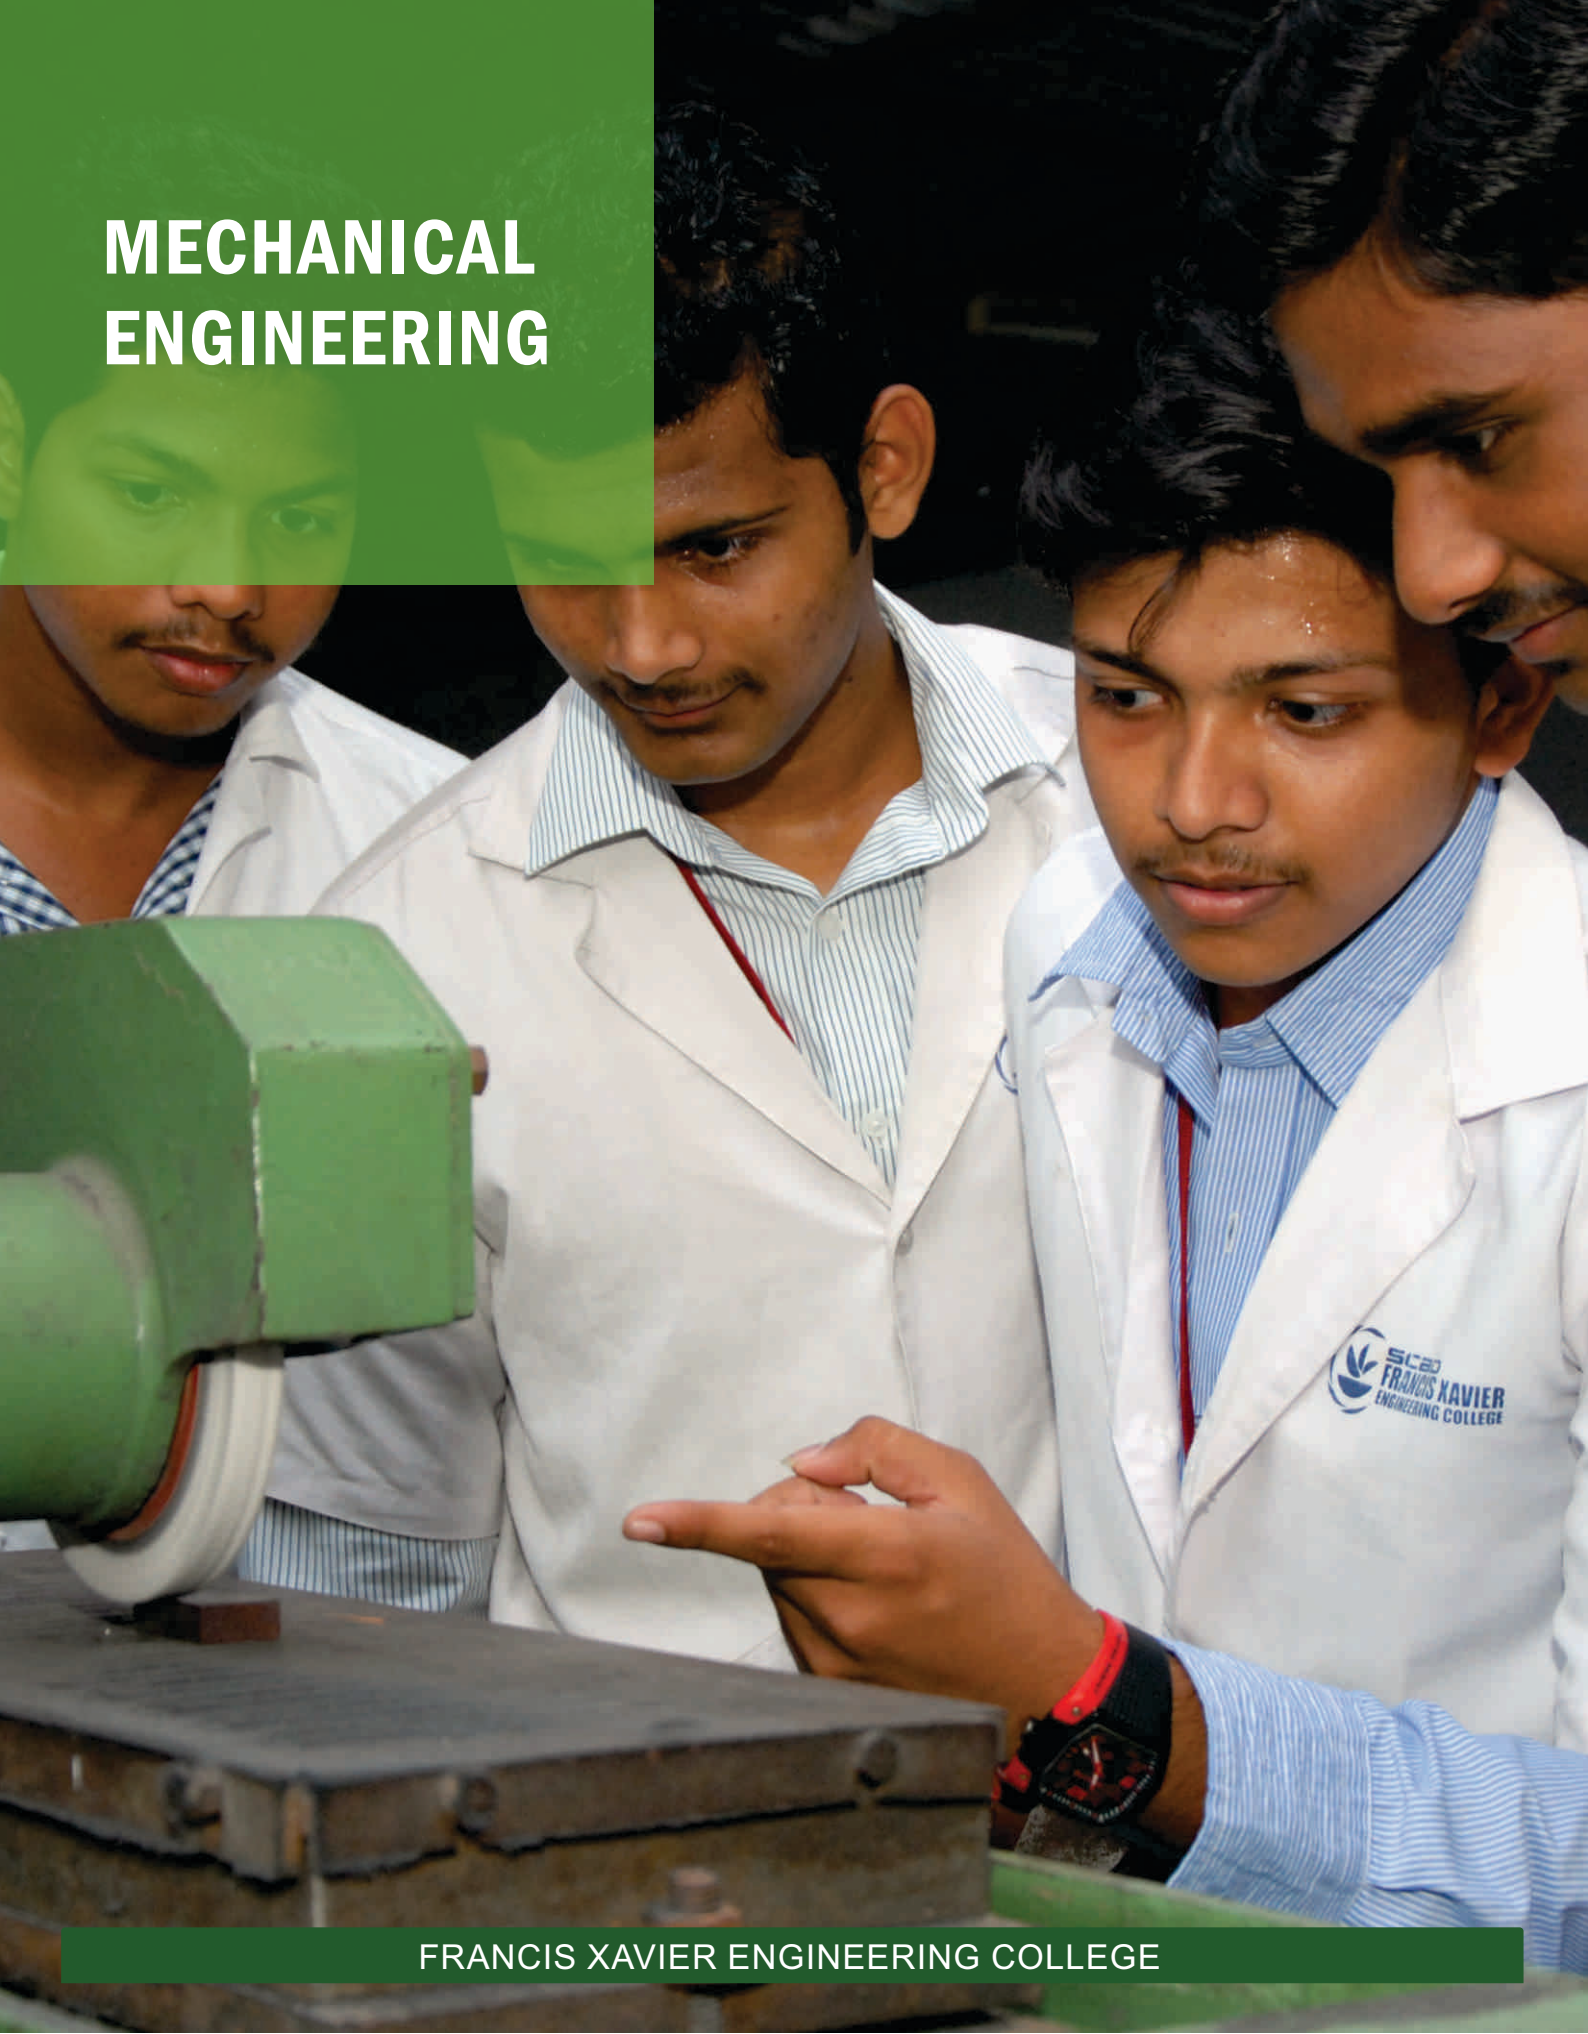

LABORATORIES THAT STRENGTHEN OUR DEPARTMENT ARE :

- ▶ Operating System Lab
- ▶ Network Lab
- ▶ Multimedia Lab
- ▶ PG Lab

MECHANICAL ENGINEERING

FRANCIS XAVIER ENGINEERING COLLEGE

MECHANICAL ENGINEERING

The Department of Mechanical Engineering considered as the best department with excellent lab facilities and enriched by senior faculty members. The students are given ample theoretical and practical input during their four years of stay in the campus. The students of the department have proved their mettle by producing three Anna University ranks during the academic year 2012-13.

LABORATORIES THAT STRENGTHEN OUR DEPARTMENT ARE :

- CAD Lab
- CAM Lab
- Manufacturing Technology Lab I
- Strength of Materials Lab
- Engineering Practices Lab
- Thermal Engineering Lab
- Heat & Mass Transfer
- Fluid Mechanics and Machines Lab
- Mechatronics Lab
- Dynamics Lab
- Special Machines Lab
- Metrology and Measurements Lab

SCIENCE AND HUMANITIES

FRANCIS XAVIER ENGINEERING COLLEGE

SCIENCE AND HUMANITIES

The key objective of the department is to impart knowledge on basic concepts of science, develop communication skills of students, and to provide the necessary foundation for the engineering studies. Towards fulfilling the objective, over the years the department has created excellent infrastructure and laboratories, with a dedicated and erudite team of faculty members. The Department of Science and Humanities is committed to making the students understand the fundamental concepts, which are highly essential and apply them in the field of Engineering and Technology effectively.

LABORATORIES THAT STRENGTHEN OUR DEPARTMENT ARE :

- The department of English has fresh avenues for developing language skills through a well-equipped Language Laboratory
- Excellent experimental facilities are offered in the Chemistry Laboratory.
- The Physics laboratories meets the needs of the first year students of various branches of Engineering and Technology as per the Anna University curriculum
- Students are trained to enhance their practical skills and are provided 'hand on' experiences with sophisticated instruments.

MASTER OF COMPUTER APPLICATION

COMPUTER APPLICATION

The department endeavor to be a niche of intelligence and acumen venturing into dimensions unexplored through innovative means thereby moulding, enriching & fashioning elites of the future. MCA Department was started in the year 2007. The students have an outstanding talent and ability, which is manifested in their achievements at all levels. Many of our students have won prizes and appreciation in Technical Paper Contest, Skill Tests, Sports held at other engineering colleges. The Department has produced nine rank holders in the past four years.

LABORATORIES THAT STRENGTHEN OUR DEPARTMENT ARE :

- There are five well-equipped networked computer labs with high configuration computer systems.
- The whole department is Wi-Fi enabled.
- Internet Lab has been setup in the department in order to enable the students to do quality project

FXDoMS MANAGEMENT STUDIES

FX Department of Management Studies (FXDoMS), which was set up in 2005, is committed to producing highly disciplined and talented graduates tailored to meet the challenges of modern business world. It has been rated as **one of the Best B-Schools in Tamil Nadu, by Business Standard & IMRB Best B-School Survey, 2013.**

The Department not only educates and trains students for career, but also rises them up for a better life. The faculty and students are encouraged to take active participation in all events of academic, co-curricular and extra-curricular. Strong emphasis is placed on external exposure in addition to undertaking current and issue-based research projects in conjunction with their specialization over and above the curriculum. The Department has produced one gold medalist and six Anna University rank holders in the last three years.

FXDoMS Advantage

FXDoMS transforms management aspirants to the NextGen global professionals of high social responsibility and business discipline. The institute is unique because of:

Top Ranking in India By Indian Management-Business Standard, University Gold Medal, Ranks and Distinction in Anna University Examinations; Case oriented education; Intensive Seminar and GD; Soft skills development; Experienced Faculty members, visiting professors & Industry captains; A well equipped library with more than 3000 titles; Free 18 hours net surfing facility with high-band connectivity; Well-established computer labs; Seminar Halls, Lecturing Halls with sophisticated AV Presentations; Institute and Industry interaction for project work and consultancy; Regular Industrial Visits; Individual personal review and counseling; Higher placement in reputed Indian Companies & MNCs; Entrepreneurship Development through ED cell; Social service avenues.

Association and Activities

The Association at FXDoMS, "SPARKLE" plays a vital role in connecting the students to the rest of the business world. SPARKLE organizes students development activities aiming at enhancement of their Intelligent, Emotional and Spiritual Quotient. As the department believes that leadership is transformational, it organizes various programmes that will help transform students not merely into managers, but as leaders. Many programmes pertaining to this mission are a regular event at FXDoMS.

STUDENTS SPEAK

Chitra. M

2008-10 Batch, MBA

FXDoMS provides a global education which is required to face global business challenges. Quality training with the appropriate pedagogy enables us to achieve our career goals.

Manjula Ramya G

2009-11 Batch, MBA

The moments spent in FXDoMS were a great learning experience. Having spent a span of two years in the campus, I am able to distinguish me very much from others thanks to the high professionalism of FXDoMS. I feel proud to be a FXDoMian.

PLACEMENT

The Management takes keen interest in the placement and training activities in the campus to see its students get placed in well-known MNCs. Continuous training is offered in verbal ability, test of reasoning and soft skills, by experts in the respective fields. Career development programs are regularly conducted to motivate the students by resource persons from the industry. The college has active MoU with HCL, Sutherland, ICT Academy and similar leading companies. This helps the students interact regularly with the corporate world and make them industry fit. Training in the area of networking such as CCNA certifications is provided for the students from the CISCO academy.

ARRIVING ON THE JOB SCENE

Placements are provided for the students of Engineering, Post Graduates in Administration and Computer Application by the initiative of the Placement Cell. The Placement Cell strives to achieve 100% placement year on year. The students are also motivated and equipped to take part in the Campus Placement Program organized by the Anna University under the Tamil Nadu State Level Placement Program. Several students are placed in renowned MNCs such as TCS, CTS, Brila Soft and Accenture. In addition to the Tamil Nadu State Level Placement Program organized, on -Campus is being organized at the college. Renowned companies with attractive salary packages are invited to the college for the campus recruitment drive.

The Companies that recruit our students are:

30+
companies recruits

Vinayak InfoTech

LIFE BEYOND STUDIES

LIFE BEYOND STUDIES

The Women Empowerment Cell plays a vital role in the life of every women in the FXEC family. It paves a new way of hope and life to women to come out of their diffidence and cowardice.

The Fine arts club of FXEC brings out the various talents of the budding aspirants in the field of Music, Art and Literature.

The NSS club helps the students to realize the importance of service to the unreached of the society. It conducts various camps such as Eye camp, Blood Donation camp, Awareness programs in the nearby villages.

STUDENT DEVELOPMENT

CONFERENCE

The Department of CSE conducted a National Level Technical Symposium on 1st March 2013 and it was inaugurated by Dr.Nickolas, Professor & HOD, Department of Computer Applications, National Institute of Technology, Tiruchirapalli

9th National level Technical Symposium TESLA `13 was conducted on 26.02.2013. Er. T. Natarajan B.E., Chief Engineer-distribution, Tirunelveli region was the chief guest for the function.

The Department of IT conducted a National Level Technical Symposium on 13th September 2013 and it was inaugurated by Mr.Rajeshkannan, Lead Engineer, HCL Technology, Chennai.

APECT' 13, the 7th National conference on advances in power engineering and control technology was conducted on 13.03.2013. Dr.R.Vijarajeswaran, chairman, VI micro system and VI institute of technology was the chief guest for the function.

AICTE sponsored Faculty Development Programme on "PREVENTION OF CYBERCRIME USING NETWORK SECURITY METHODS" was conducted from 10th June to 22nd June 2013.

CONFERENCE

Inauguration of XPERTS'13 was conducted on 26th July 2013 and the chief guest was Dr. D. Shalini Punithavathini, Principal, Government College of Engineering, Tirunelveli.

A Seminar on "Recent Trends in Broadcasting Technology" was conducted by Mrs.G.L.F. Francy William, Senior Engineer, All India Radio, Tirunelveli on 16th March 2013.

A Seminar on "Semiconductor VLSI device Modelling Micro to Nano" was conducted by Mr.T.S.Arun Samuel , Ph.D Scholar(Regular) , Thiagaraja College of Engineering on 23rd February 2013

RESINGTON R. Managing Director, Can Do Automation & Industrial Automation Consultant & "Young Scientist" Award recipient presided and gave an invited lecture. He has more than 30 inventions.

A National Level Conference on Advanced Trends in Computing was conducted on 20-03-2013. Dr.S.DEJEY, Assoc. Prof. & Head, University Department, Tirunelveli presided and gave an invited Lecture.

AICTE sponsored Faculty Development Programme on "Emerging Trends in Image Understanding and Pattern Recognition" was conducted from 06-06-2013 to 18-06-2013.

STUDENT DEVELOPMENT

CONFERENCE

Management Fest was conducted on 22nd February 2013

State Level Workshop on Entrepreneurship Development was conducted on 17th May 2013

State Level Business Plan Contest was held on 22, March 2013

Inauguration of DAWN Association by Department of Computer Application

DAWN Association - Winners being awarded

COMMUNITY SERVICES

Receiving award from Indian association for blind for the best contribution

NSS volunteers spreading awareness about dengue fever in Melacheval village.

A rally was conducted by the students to spread awareness on AIDS

Cleaning the Temple campus

Painting the Government Schools

The Medical camp was conducted which was presided over by Dr.Valliammal, District Medical Officer

STUDENT DEVELOPMENT

EVENTS

The Governor of Tamilnadu Dr. K. Rosaiah inaugurated the FX Auditorium on 15th June 2013

The 9th Graduation Day was held on 27th Apr-2013. Dr. G. Prakash IAS was the Chief Guest and Dr. R. Perumalsamy, V.C, Noorul Islam University was the Special Invitee.

Sports Day was held on 9th March 2013. Mr. Sunil Kumar Singh IPS was the Chief Guest.

ADMISSION

Admission Process

Application forms and prospectus can be obtained either in person from the admission unit at the college office or from our group admission offices at select cities on payment of the prescribed fees.

To apply for a course listed in the prospectus it should be complete and enclosed application form should be submitted to the admissions unit, Francis Xavier Engineering College along with the photo copies of the required documents.

The following are the key stages in the Admission Process.

- Applicant's eligibility for the course applied will be verified.
- Short listed candidates will be informed about their selection.
- Prospective students are advised to meet the principal and the selection committee of respective colleges for a personal interview.
- The final selection is based on the marks scored in the qualifying examination and performance in the personal interview.
- Candidates who are all selected for the admission would be asked to submit the original transcripts, transfer certificate and other relevant documents and pay the required course fee and hostel fees (for students who opt for in-campus residential facilities).
- Post admission students will be informed of the course commencement date.
- Upon fulfilling the admission formalities the students are provided with college Identification Cards and permitted to attend classes.

Discipline and Code of Conduct

The university ensures safety, security, and exciting learning and living environment with respect and regard to the diverse large community of students, faculty and staff.

Anti Ragging Policy

As per Indian law, ragging is a punishable offence, leading to expulsion and other punishments, as prescribed by the Anna University and Tamil Nadu Government.

SCAD

SCAD Group of Institutions is an offshoot of SCAD (Social Change and Development) a socially committed institution striving for the development of deprived communities in Southern India for the past 30 years. It was founded by Dr. S. Cletus Babu, along with Dr. J. X. Amali Cletus Babu who walked along with him in accord, understanding and untiring support for the great cause of service. Their far - reaching goals are well executed by its versatile Managing Director, Mr. C. Arun Babu, with the help of highly qualified and committed faculty members, able educational administrators, industry-business partners and community at large.

The educational institutions of SCAD have been established in chosen areas with the principle of "Reaching the Unreached". It is an exemplary outcome on the demand of the people for a quality Engineering & higher education in the southern region. Dr. Babu's dreams are guided by God's direction and his dedication. His emotional and spiritual intelligence transforms risks into opportunities and threats into avenues to serve the community as much as possible. A man with enormous power in his vision is entreated to offer quality education at an affordable cost.

empowering the powerless

OBJECTIVES

- To provide our students with competent faculty for collaborative learning and conducive atmosphere for formation of character
- To accompany our students by mentoring in their becoming competent managers and committed leaders
- To put in place a professional approach in the ways our teachers teach, in the ways our students learn and in the ways we organize Teaching-Learning-Evaluation
- To instill in the minds of students a scientific temper for future innovations
- To maintain Industry - Institute connect that provides organic link between theory and praxis, training students in practical skills.
- To assist our students inculcate social values and develop social consciousness
- To maintain a connection with our students even after they leave the portals of SCAD through our Alumni networks
