Welcome

From the Principal's Desk

A Great Academic Institution is Never Born; It is Created!

Greetings from the staff and students of Government College of Commerce & Business Administration!

Dear students,

On behalf of Government College of Commerce and Business Administration, I congratulate you on successfully completing your 10 + 2 in academics and welcome you to our esteemed institution, where the eminence is on building character, stirring minds and elevating proficiencies that last a lifetime. GCCBA has been founded with this vision and our exertion is to build a climate of concord and brilliance so that students from this institution contribute proactively towards ameliorating the world around them.

From a modest beginning in 2006 with the mission "Know, Explore and Grow", GCCBA is one of the prestigious colleges in Chandigarh, imparting quality education and excellence in the dynamic fields of Commerce and Business Administration. The college has established itself as an institution with an impressive record with regard to academics, sports and co-curricular activities. At GCCBA, we strive to delve deeper into the true purpose of education by giving our students opportunities and an environment that is positive, inspiring, challenging and stimulating. We intend to mold our students into mature, sensitive and responsible citizens of the country.

I assure you that your association with us will have the most desired and fruitful results and hope that our collective synergy will help us to achieve new heights of academic and professional glory. *I am sure that the future students will not only live up to the traditions of the college but also excel in every field to make this college "A center for excellence".*

With Best Wishes,

Mrs. Manjit Kaur (Principal)

"Cherish your visions and your dreams, as they are the children of your soul, the blueprints of your ultimate achievements." ~ Napoleon Hill

- **BBA** - Bachelor in Business Administration

INTRODUCTION

With the growing importance of commerce and management, Government College of Commerce and Business Administration (GCCBA) is poised to grow into a premier college dealing exclusively with the streams of commerce and management. Started in September 2006, with the approval from His Excellency, General (Retd.) S.F. Rodrigues, the then Governor of Punjab and Administrator, UT Chandigarh. Since its inception, the college has been striving hard to bring commerce education at par with other coveted courses. Being the only specialized college of commerce, it aims to provide a more professional experience to its students at undergraduate level. The college does not focus only on functional subjects of commerce but also engages students to the practical exposure of management and commerce, so that they are ready to face the competitive world in future. As an Institution whose purpose is to impart quality education to students of all creeds in general, the college strives to develop their intellectual powers, locate, identify and cultivate their interests and talents and in turn train them to be responsible and useful citizens.

OUR MOTTO

"Know, Explore and Grow"

The motto envisions the very essence and philosophy of the college. We endeavor and inspire to Know, to Explore and with that knowledge and exposition- Grow both in academics and co-curricular activities.

OUR VISION

To be an institute of academic excellence with total commitment to quality education in commerce, management and related fields, with a holistic concern for better life, environment and society.

OUR MISSION

- * Empowering students with all the knowledge and guidance that they need to become worthy management professionals.
- * *Learning through Doing.*
- * Imparting value framework that is global yet national.
- * *Providing for holistic and value based development of students which ultimately enhances their employability.*
- * Developing social consciousness among students.
- * *Carving a niche for ourselves in the specialized field of commerce and management.*
- * Providing a nurturing and motivating environment to exploit the full potential of the students.
- * *Grooming youth to become a truly global personality well equipped to deal with the modern world and its challenges.*
- * Enabling holistic development of personality with a humane and global outlook.

INFRASTRUCTURE

The college is presently operating from a temporarily allotted building in Sector 42. In addition to ten smart classrooms, the college has a computer laboratory, an enriched library, an administrative office, a principal's office, and a staff room. Three new additions have been made to the college infrastructure which includes Gymnasium,

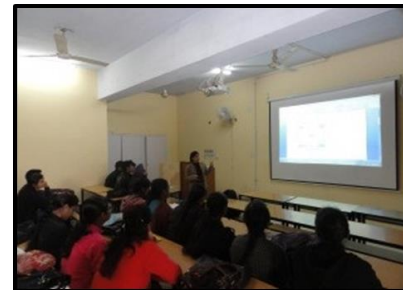

Girl's Common Room and BBA Departmental Room. Landscaping and beautification of the campus has recently been undertaken and it presents a pleasant spectacle. The college has also created an herbal garden although land to its disposal is limited. The college implemented the E-Governance solutions for the management of the various academic and administrative activities of the college. The college campus has installed routers at different places to provide Wi-Fi facility to students and staff. A 50 KW Solar Panel was started in the college campus. A digital kiosk has been installed outside the library to enable the students to find books available in the library and blogs of the teachers.

The path has now been cleared for us to shift to our permanent campus in sector 50 which is now almost ready for the new session. A futuristic master plan for the campus has already been put in place.

The new campus is a three story building which has a huge space to accommodate all the essentials required for a college. The Institute envisages a campus that promotes interaction between faculty, students and scholars of different disciplines. It is planned to make it a 'Green Campus' with minimal energy consumption. The master plan has also been made to build a separate library and administration building in future

SMART CLASS ROOMS

The college takes pride in having a very well equipped, fully air-conditioned and acoustically well maintained seminar Room along with 10 smart class rooms. Smart classrooms are technology enhanced classrooms that foster opportunities for teaching and learning by integrating learning technology, such as computers, specialized software, audience response technology, assistive listening devices, networking, and audio/visual capabilities. All Smart Classrooms support video projection from a laptop and all rooms contain resident computers. Wooden dual desks of the latest design and ergonomics are provided to the students for their ease and comfort.

LIBRARY

Our library strives to create a lively and enriching intellectual environment for students. We have rich and active collection of text-books and reference books which is utilized heavily by

"We are what we repeatedly do. Excellence, therefore, is not an act but a habit." - Aristotle

students. It uses LIBSYS software package which is an integrated multi-users management system that supports all in-house operations of the library. The Library has a good collection of books and Journals along with online and offline databases. The library has developed web portal through which all the users of the library can access and download the required information.

COMPUTER LAB

From the very inception of this college, our emphasis has been to provide the best technology to all the stakeholders, therefore all the administrative and teaching work is being carried out using computers. Students can freely access them in the computer lab and also in the library. At present we have sixty seven desktops and four servers. The computers of the lab are well equipped with latest software such as Microsoft Office 2010 & 2013. Lab also includes software like Nebero and Mc-a Fee which offers our organization elite network protection and anti-virus solutions.

SEMINAR/ MULTIPURPOSE ROOM

The college takes pride in having a very well equipped, fully air-conditioned and acoustically well maintained Seminar Room which is a part of the ultra-modern infrastructure with state-of-the-art, audio-visual, and presentation tools to facilitate smooth presentations and seminars to help students develop their soft skills. It has witnessed many artistic, academic and cultural activities being hosted by the college throughout the year. Eminent speakers and other noted personalities have been visiting the college and sharing their pool of knowledge, wisdom and skill set with the students and faculty in the form of lectures, debates, discussions, and workshops. It adds as a facilitator for the effective delivery of our curriculum.

STUDENT TEACHER INTERACTION

The Wi-Fi enabled and well maintained staff room with ultra-modern facilities provides our staff members a comforting and conducive environment to interact with students outside the classrooms. The teachers leave no stone unturned to encourage and create open learning environment in which students feel free to ask questions, solve the educational and personal problems, to seek advice and to learn at their own pace. Students are also provided with the opportunities to contact their mentors via internet.

EVER STRIVING FACULTY

Our faculty owns excellent academic acumen which is reflected in the performance of our students. They make every effort to help students gain valuable insights into the influences that shape their future. Their diverse backgrounds and immense experience provides valuable insights into the many facets of the world. They facilitate the honing of each student individual capacity to the optimum level and play a diversified role in shaping the students personality, knowledge and career. We have developed e-form of learning. All the e-content is available on our college website. Subject- In charges have uploaded e-content of their respective subjects on their personal blogs for students to have free access. Also Teachers are provided with laptops of latest technology to prepare their e-content.

Our faculty follows the saying, *“Ideal teachers are those who use themselves as bridges over which they invite their students to cross, then having facilitated their crossing, joyfully collapse, encouraging them to create bridges of their own.”* ~ Nikos Kazantzakis.

DISSEMINATION OF INFORMATION AND INTERACTION OF STAFF, STUDENTS AND ALUMNI

The website is designed as a portal for the GCCBA as well as a knowledge site for the management students, budding professionals, and academicians. The site has community pages for the students, faculty resources, an online knowledge database of management articles as well as online resources for the various societies and clubs. Faculty is in touch with students through blogs. Students can study e-lectures on their own. Faculty is connected with the

“Right education should help the student, not only to develop his capacities, but to understand his own highest interest.” ~ J. Krishnamurti

students 24X7 through social networking sites. Notices are uploaded on the college website so that the information can travel to every student. Apart from this, college diary about events of the college is duly updated.

AWARDS AND PRIZES

Our college gives due recognition to the endeavors of our students. On the College Annual Day, we honor our students who have excelled in academics, sports, co-curricular and extra-curricular activities and award them with the roll of honors for their performance in academics, cultural activities, sports and other activities held at college,

inter-college and university level. Prizes are distributed among meritorious students according to the norms set by Chandigarh Administration, Panjab University, and the College.

STUDENTS LIFE IN THE CAMPUS

Student life at GCCBA is an enriching experience. Excellent facilities for sports, games, recreation etc. are available to students which are complimented by Fresher Party, Society Functions, NSS Activities, Celebration of National Days, Farewell Party and other events which are hosted and managed by students themselves. Opportunities are provided to those students whose confidence is to be boosted so that by the end of three years, they are fully groomed and confident. Distinct efforts are made to promote student-teacher interaction. Students interested in activities like IT, music, drama, photography, debating, writing, indoor games etc. can join the relevant societies and clubs available in the institution. A number of inter and intra college fests are organized to encourage interaction amongst students where our students have competed with the other students specializing in these and won prizes. Various cultural and sports events are organized on an annual basis, thus giving an opportunity to put up the theoretical concept into practice.

“Aim for success, not perfection. Never give up your right to be wrong, because then you will lose the ability to learn new things and move forward with your life. Remember that fear always lurks behind perfectionism.” ~ Dr. David M. Burns

SPORTS AND GAMES

A fit mind is an active mind. As sports play a vital role in the development of an individual thereby enhancing their personality. The college gives due recognition to sports even though the college does not have a fully equipped Physical Education Department. The students are provided ample opportunities to participate in indoor and outdoor sports. The College offers students opportunities to learn and excel in Athletics Cricket, Badminton, Volleyball, Football, Kabaddi, Basketball, Roller Skating, Rifle shooting and Water Polo. Even though the college does not have ample space for outdoor games, it has not deterred the students from bringing laurels to the college. From this session onwards the facility for Table tennis and Gym has also been added for the students and staff.

“The will to win, the desire to succeed, the urge to reach your full potential... these are the keys that will unlock the door to personal excellence.” ~ Confucius

YOUTH FESTIVAL

The College initiates various cultural activities to nourish talents of the students on a large scale. The college gives due emphasis on co-curricular activities to expedite the overall development of the students. Our students get the opportunity to participate in the various events of Panjab University's Heritage and Youth Festival and Inter College Management and I.T. Fests organized by the Commerce and I.T. department of various colleges. In this session (2014-15) our students won innumerable prizes in the various competitions that they participated.

COLLEGE SOCIETIES

Students at GCCBA are encouraged to participate actively in activities beyond classrooms. The college believes that engaging a wide variety of extra-curricular activities helps create a well-rounded, confident, and culturally and socially alert student body. As part of this effort, various activities are conducted in different societies managed by the faculty and students together that facilitates student-teacher interaction outside the classroom. A student puts in a minimum of 50 hours in one society in one year after which he or she is given a certificate for contribution to community outreach program. The various societies of the college are:

Gender Sensitization Society

- "**Jagriti**" Gender Sensitization Society aims at creating awareness about issues like female foeticide, gender bias, women empowerment etc. The emphasis is on the inculcation of humanism particularly equality for all. The society conducts various activities/ programmes like rallies, debate, declamation, poetry recitation competitions and dramatics etc. focusing on the vital issues pertaining to gender bias/ discrimination.

Literary Society

- "**Word Visharad**" Literary society of our college provides a platform to the students to hone and showcase their abilities as well as polish their communication skills to face the professional life with confidence. Each year this society conducts various competitions such as debate, creative writing and public speaking on various social and personal issues to help them overcome their shyness and constraints in speaking, reading and writing.

Environment Society

- "**Avni**" seeks to motivate and prepare students to raise to the challenges and opportunities associated with human-environment interactions. The core mission of the society is to make the students understand the environmental problems in order to find solutions to them. The society aims to create a sense of responsibility amongst the students with the objective of preserving it for future generations.

Management Club

- "**Gestione**" aims at developing the management skills and efficacies of the students by providing them a platform to exhibit their plethora of ideas and talents in the various events that are organized by the club. The members are selected after a strenuous screening and are given due recognition for their contribution in the club over the year round.

Drug Awareness Society

- Victory Against Drug Abuse "**VADA**" is the anti-drug drive started by the college students which organizes diversified activities and develops collaborative and fruitful interactions among students and the Resource persons. Its aim is to sensitize and create awareness among the students regarding the ill effects of drugs.

I.T. Society

- The aim of "**Tech-Infomatics**" is to help students gain valuable experience and exposure in the IT world. The society emphasizes to help all the aspiring students highlight their skills and interests in IT and gain a competitive edge in the professional scenario.

Anti-Stress Society

- "**Harmony**" aspires and works for creating stress free campus environment. The society has been set up with the objective to reduce stress among our students, to enhance their potentiality and to help them cope up with the academic pressure.

YUVCLIQUE

'YuvClique', an intercollegiate management fest, spreads its rays of vibrancy by making it pass through a rigorous evaluation procedure under the critical eyes of judges belonging to renowned academic and corporate background. It is a platform for various colleges of tricity to participate and win accolades through healthy competition. It helps the students in accomplishing the desired standards in the dynamic competitive world. Aiming to tap the hidden potential and awakening the competitive spirit, YuvClique consists of a series of events like 'The 60 second countdown', 'Ink the poetry', 'Tap your feet', 'Manoeuvre the scrap', 'Mimica', 'Stage Craft', 'So you think you can sell', 'Fabric Warfare', 'Paint the Mask', 'Passion for Fashion', 'Panorama', 'Kwiz-fizz'.in which the students from different colleges and institutions participate with fervor and zeal.

PARENT TEACHER MEET

Our college highly encourages the Parent Teacher Meet comprising of parents, principal and staff, intended to facilitate parents' participation in the various issues that may arise. PTM ensures an informal dialogue for total involvement and participation of parents at the college level. The focal aim is to engage parents as critical partners, who can actively contribute to the effective solution to the issues like whenever a student has any shortage or absenteeism from the college, to improve his/her performance, discipline, and general conduct in the college. Through the PTM conducted by the college, the parents are acquainted of various academic and co-curricular activities as well as the achievements of the college.

NATIONAL SERVICE SCHEME (N.S.S.)

The College NSS unit is very actively involved in the service of the underprivileged sections of society. NSS aims at arousing social consciousness of the youth through community service. We take immense pride that our students have been devotedly engaged in the projects such as Blood Donations, College Campus Cleanliness, Socio-Economic Skills etc. The college enrolls students to N.S.S. in the boys and girls units. The enrollment is purely by selection. The college NSS Unit is very vigorously involved in the service of the different sections of society.

It aims at inculcating human values, dignity of labour, self-confidence and discipline among the volunteers. Every student who wishes to join N.S.S. has to fill up the enrolment form latest by August. Outstanding volunteers are awarded special merit certificates and the College Color.

PERSONALITY DEVELOPMENT CLASSES

The college in collaboration with Regional Institute of English (RIE) provides compulsory training to the students of B.Com (II & III) and B.B.A (II & III) to develop their communication and inter-personal skills. Activities for improving communication skills, pronunciation and vocabulary are organized regularly. Group Discussions and Mock Interviews are also held so that it may help the students to enhance their employability skills and to become well verse and proficient to face the competitive world. In addition, the specific needs of students for preparing for competitive examination are also taken care of.

PLACEMENT CELL

The vision of the cell is to understand the traits of each student, so that the appropriate placement can be provided to them. The placement cell of the college is more of a Career Facilitation and Personality Development Centre. The purpose of the placement cell of the College is to acquaint the students with the emerging opportunities in the world of work and to impart them sound guidance for an effective career planning. The placement cell hosts on campus pre-placement and placement activities of the corporate world and organizes expert talks on diverse career options. This year NIIT, BULLS EYE and Time Group came for career guidance. The student got placement in many national and multinational companies like Godrej And Boyce, Airtel, Ernst &Young, Genpact, Trident Group, Schneider Electric IBM Daksh, Nimble Solutions Pvt. Ltd, etc. visited campus during placement drive and selected more than one hundred fifty students. The Placement cell also conducts Industrial trips for the Final year students of B.Com and BBA and facilitates summer training for them.

Five students placed with Ernst & Young with annual package worth Rs 280000/-

ALUMNI ASSOCIATION

The Alumni Association serves as a catalyst for communications and involvement between the alumni, the institution and the students, for the development of a lifelong camaraderie. The college has an Alumnus which encourages reunions with the Alma-mater. The college strongly believes in having a long lasting relationship between the old students of the college and the new incumbents. Some of the objectives of the association are: to promote and foster mutually beneficial interaction among the Alumni and the present students of the institute and among the Alumni themselves; to promote education, literature and other similar kind of activities. The Alumni Association organizes lectures by distinguished speakers and panel discussions on topics of current interests to its members. It has been proposed that every year Alumni Meet will be held on the **Founder's day of our college i.e. 19th October** to earmark the importance of the day and acknowledge its establishment every year.

CONDUCT AT GCCBA

Students joining the college are strictly bound by the Rules and Regulations of the college. Every student who is admitted has to keep his/her Identity Card affixed with photograph, duly attested and present it for inspection on demand. Students must attend lectures and tutorials according to the timetable on all working days of the college. Students cannot be absent from lectures, tutorials and examinations without prior permission of the Principal. Students are warned that if their attendance at lectures and tutorials is unsatisfactory, their names can be struck off the college rolls/or can be detained from the examinations. In case of illness, a student has to apply for leave, as soon as possible, with a doctor's certificate. He/she must personally report to the HOD / Principal on resuming class. Smoking is strictly prohibited in college premises. Students are expected to take proper care of college property and to help in keeping the premises neat and clean. Causing damage to the property of the college, e.g. disfiguring walls, doors, fittings, or breaking furniture, etc., is a breach of discipline and the guilty will be duly punished. It is the responsibility of the student to read the notice boards regularly for important announcements made by the college authorities from time to time. They are not excused or given any concession on grounds of ignorance.

CURBING THE MENACE OF RAGGING

As per UGC regulations (2009) ragging in Higher Education is a criminal offence and the Anti-Ragging Committee of the college has ensured that it is prohibited in the college and followed. They put up posters/banners in the college and admission venue highlighting that anyone found guilty or ragging and/or abetting ragging, whether actively or passively or being a part of the conspiracy to promote ragging, is liable to be punished in accordance with the regulations and under the provisions of any penal law from time being in force.

HOSTEL FACILITY

At present our college does not have its own hostel. But we have made arrangements with various institutions such as for girls we have 18 seats in Working Women's Hostel, Sector 24 Chandigarh and 9 seats in State Institute of Education, Sector 32 Chandigarh. Whereas for Boys we have 15 seats in General Hostel Sector 15, Chandigarh.
